VOL. LV | OAKLAND, CALIFORNIA, WEDNESDAY EVENING, OCTOBER 8, 1902 | NO. 236

BLOOD IS SHED DURING A FIERCE STREET RIOT IN NEW ORLEANS.

ATTEMPT TO RUN STREET CARS THE CAUSE OF TROUBLE

Policemen and Strikers Draw Weapons and Fire at Each Other.

NEW ORLEANS, La., Oct. 8.—The first atempt to run cars from the Canal street barn, which was made at 10 o'clock this morning, resulted in a serious riot, in which Policeman Schlesinger was shot through the head and probably fatally wounded; Conductor Kennedey was shot in the hand; Motorman Ferguson, a striker, was shot through the arm and a number of policemen were painfully wounded by flying missiles.

Fifty shots were fired.

The first car which started from the barns was in charge of Motorman Fred Nintz of Chicago and Conductor M. L. Kennedy.

There was on board a large force of policemen and Peter Johnson and Alfred Clark, who arrived here last night from Chicago with a force of thirty men to take the places of the strikers.

A large crowd was on the street.

As the car approached the corner of Dorgenois street, members of the mob rushed out, tore up planking from either side of the street and threw it across the track.

Then bricks and stones flew through the air.

Obstructions brought t he car to a standstill and a rush was made for the non-union men.

There was such a hail of missles that the police and others on board had to stoop to save themselves.

As the car stopped a number of policemen jumped off in an attempt to press back the strikers.

Immediately a shot was fired.

Then a perfect fusilade of shots came from both sides.

In the meantime, R. D. Kountz, a young man from Luray, Va., who was on the car, ran out and attempted to clear the track of the planks and debris.

He was pelted with bricks and stones but was perfectly cool and had pretty well cleared the track when the mob descended on him and overwhelmed him.

Clark and Johnson were dragged from the car and terribly beaten.

Police reinforcements were rushed to the scene and after a long struggle, t ehspace immediately around the car was cleared.

Motorman Nintz is charged with having fired the first shot from the street car.

Orders for his arrest have been issued.

After the rioting the car was run back to the barn and it is now said that no further efforts to operate cars will be made until the troops are on the scene.

The Mayor is endeavoring to reach Governor Heard.

All the non-union men who were on the car attacked today were armed and all of them are said to have used their weapons during the attack.

Aleander Derbs, a bystander, was shot in the leg during the rioting.

It is said warrants will be sworn out in the Federal Court against many of the men who participated in the rioting yesterday on the ground that the service of the mail cars was interrupted.

Secret Service Agents from Washington are reported to be here and co-operating with the local police officers.

One hundred and twenty members of the police force guarded the barns of the railway company during the night. It was feared that some attempt might be made to fire them.

A number of the men who came here from Chicago are reported to have been captured by the strikers and to have deserted to the union.

STRIKERS WILL NOT GIVE UP.

They Declare That United States Troops Cannot Make Them Go Back to Work.

WILKESBARRE, Pa., Oct. 8.—The following official statement was issued from strike headquarters at 1 o'clock today:

"AT 12:30 NOON, FIFTY TELEGRAMS HAD BEEN RECEIVED FROM AS MANY MASS MEETINGS IN VARIOUS SECTIONS OF THE ANTHRACITE REGION, CONVEYING THE INFORMATION THAT BY UNANIMOUS VOTE OF THE MEN ON STRIKE, ALL OF WHOM ATTENDED SUCH MEETINGS, IT WAS RESOLVED THAT THE PRESENCE OF THE ENTIRE UNITED STATES ARMY IN THE ANTHRACITE COAL REGIONS WOULD NOT INDUCE THE MEN TO RETURN TO WORK, UNTIL THE DEMANDS OF THE SHAMOKIN CONVENTION HAD BEEN CONCEDED, THE STRIKE DECLARED OFF BY A DELEGATE CONVENTION OF MINE WORKERS OR BY THE DISTRICT AND NATIONAL OFFICERS."

Thus far the returns emphasize the declarations of the officials of the Miners' Union, made at the Washington conference, that the strikers are not deterred from going to work through fear of bodily harm.

At 10 o'clock all telegrams will be submitted to representatives of the press for their examination.

President Mitchell has written his answer to President Roosevelt but he declines to state what its nature is. The letter was dictated this noon and is now in the mails on its way to Washington. Mr. Mitchell will not give out the text of the letter, because it would be discourteous to the President and whatever the communication contains must come from Washington. In view of the statement published by President Mitchell at noon today, it is hardly likely that the proposition of the President for the men to go to work and have the condition in the coal regions investigated afterward, was accepted.

WHAT MITCHELL SAYS.

WILKESBARRE, Pa., Oct. 8.—National President Mitchell of the Miners' Union and the three anthracite district presidents returned to this city from Buffalo this morning. The chief of the miners had nothing to say regarding yesterday's trip and also declined to discuss President Roosevelt's proposition for ending the strike. He will not even indicate when he will give his answer to the President, but it is not probable he will do so until after he has received the reports of all the local unions, which will meet today in accordance with his instructions, and take action on the question of whether their members desire to remain on strike.

At 11 a. m. President Mitchell made the following statement to the Associated Press:

"Up to this hour at least thirty telegraphic reports have been received from local unions giving the action taken by them last night and this morning. These reports are substantially as follows:

"The mine workers resolved not to return to work until the demands as formulated at the Shamokin convention are granted or until the strike is called off by a convention of the mine workers or President Mitchell, and if all the troops in the United States were brought here they could not force the men back to work. The reports are still coming in rapidly and among them there is not one dissenting voice. The vote in all the locals so far heard from was unanimous. There are more than 300 locals and all will have been heard from by tonight."

The mail matter received at strike headquarters is increasing. Scores of letters are from eccentric persons, giving advice as to what to do, and many are received from persons who want the strike ended so that they can get coal. One postal card reached headquarters from Canada, on which was written:

"Please take the advice in third chapter, fourteenth verse, St. Luke's gospel, and let us have some coal."

A Sabbath-like stillness reigned throughout the Wyoming Valley this morning.

THE MANUFACTURES.

PHILADELPHIA, Oct. 8.—The committee representing the National Association of Manufacturers appointed at the Buffalo conference, to come to this city and wait upon President Baer of the Philadelphia & Reading Railway and other operators to be named by President Baer, reached here today. The committee consisted of David A. Parry of Indianapolis; John Maxwell of Indianapolis; George H. Barbour of Detroit; Richard Young of New York and Frank Leake of this city.

Mr. Leake said the committee had an appointment with Mr. Baer, but Mr. Baer denied all knowledge of a conference.

FIRST OUTBREAK.

HARRISBURG, Pa., Oct. 8.—The first outbreak of disorder since the marches and arrests of two weeks ago, occurred at Williamstown last night when an attempt was made to move thirty-two cars of coal from the siding of the Lykens Valley Coal Company. Coupling pins were drawn five times and some stones were thrown. Finally the trainmen got the cars coupled and started off with the train amid the hoots and jeers of men and boys.

When the cars were taken through Wisonisco the train crew was jeered. Soon after the train passed a mob marched about the town and threw stones at the houses of men who had been working. No damage was done.

HAZELTON, Pa., Oct. 8.—The First Regiment of Philadelphia arrived here this morning. The only incident of the trip was the stoning of the second section near Bethlehem. Several car windows were shattered. The Regiment will be concentrated at several points and details will be sent by railroad or trolley to colleries where their services may be acquired.

Every thing is quiet in the Hazelton district today.

NO THREATS MADE.

TAMAQUA, Pa., Oct. 8.—The Second Regiment of Philadelphia National Guard arrived here this morning and the Sixth Regiment from Chester will arrive this afternoon. No threats are made against the guardsmen and little trouble is anticipated. The general feeling is one of apathy. Business is at a standstill.

Reports from this region indicate that the operators made a slight gain in their working force today.

CONFERENCE COMMITTEE.

NEW YORK, Oct. 8.—The presidents of the anthracite coal roads and John Markle have received the following telegram from the Committee of the National Manufacturers' Association which met yesterday with Mr. Mitchell and the district presidents of the United Mine Workers at Buffalo:

"ALBANY, N. Y., Oct. 8.—Our committee of conference desire to meet you tomorrow at 10 o'clock, Manufacturers' Club, Philadelphia. This is very urgent.

"(Signed.) D. M. Parry, Richard Young, George H. Barbour, Frank Leake."

Two of the operators named, have announced their intention to decline the invitation.

President Fowler of the Ontario and Western said that there was nothing new in the situation so far as his road was concerned.

"This is not the time to talk," said President Fowler, "it is the time for action. We are trying our best to mine coal and will bend all our energies in that direction."

There was an informal conference of the leading interests today.

WIFE OF THE NOME KING GETS FORTUNE BY A COMPROMISE.

Mrs. Lindblom Accepts $130,000 and Waives all Claim to Her Husband's Vast Estate—She Will Insist on Getting a Divorce.

Mrs. Anna Lindblom, wife of Erik C. Lindblom, the Cape Nome mining king and discoverer of the mines there, has consented to a partial compromise of her divorce suit in as far as the community property is concerned.

It is stated that she has consented to accept a lump sum amounting to $130,000 and dismiss the suit for alimony, which called for $1,000 per month; also the suit to have her husband's property, alleged to be valued at upward of $8,000,000, put into the hands of a receiver.

Mrs. Lindblom will pay her attorney fees from the sum of money that is given her. These fees will amount to approximattely $12,00 and will be divided among Attorneys A. A. Moore, C. Wyman and Hugh S. Aldrich, all of whom were active in making the settlement between the husband and wife.

The divorce suit proper will probably be pressed to a conclusion.

All the attorneys in the Lindblom case appeared in court this afternoon and agreed on the compromise.

It was decided that Lindlom would give the wife $130,000 and pay the wife's attorneys as follows: Wyman & Moore $7,500 between them and Aldrich $2,500.

Reed & Nusbaumer and others are in the case for Linblom.

The divorce case will be heard on October 20th.

Mrs. Linblom gets $5,000 in alimony in addition to the compromise sum.

MANY INJURED IN A COLLISION.

TRAINS COME TOGETHER ON THE PENNSYLVANIA RAILROAD AND MAN IS KILLED.

NEW YORK, Oct. 8.—Courtney Silphath, a bridge tender at the Pennsylvania ferry, New York, was killed and twelve persons injured in a rear-end collision of passenger trains on the Pennsylvania road at Menlo Park, today. The western express, known as No. 8, east-bound, a heavy train made up of four Pullmans, three coaches and a postal and baggage car, was run into by a local passenger train from Philadelphia. Aid was immediately summoned from the surrounding towns, and as quickly as possible physicians who responded dressed the wounds of the injured, who were placed in a car and hurried through to Jersey City.

Knowing that the local was due, the passengers on the express were told to leave the train and a flag was rushed back. There is a very sharp curve just at this point and the flagman had hardly reached it when the Philadelphia train came around the curve at a high rate of speed and crashed into the express. Some of the passengers had not left the train when the collision occurred.

When the train bearing the injured reached Jersey City a few of those hurt were sent to hospitals, but is is understood that none of them received serious injuries.

AWFUL JOLT FROM AN ELECTRIC WIRE

TELEPHONE MAN MEETS DEATH WHILE AT WORK IN STOCKTON.

STOCKTON, Cal., Oct. 8.—While repairing local telephone wires this morning on a Standard Electric Company pole, in this city, George Allen, a lineman, came in contact with the Standard telephone wires, carrying a very high induced current from the power lines. He received a shock from which he did not recover, though several doctors worked a long time over him. Allen left a father in Portland, Oregon, who was on his way to Stockton, when the accident occurred. The deceased was 24 years of age, and single.

BODIES ARE FOUND IN THE BAY

SAN FRANCISCO, Oct. 8.—The body of a man, evidently that of the unfortunate stevedore, who was knocked overboard from the ill-starred ship Pyrenees on last Thursday, was today recovered from the bay. The propeller of the steamer Peru brought to the surface today the unrecognizable body of a man, supposed to be that of a Chinese or a Japanese.

SOLDIERS ON THE TRAIL OF STRIKERS

SHAMOKIN, Pa., Oct. 8.—Two companies of the Fourth Regiment were on duty at the Royal Oak colliery today keeping strikers bent on mischief away from the mine. The Llewellyn Coal Company intended to start up the colliery today, but failed, the driver boys refusing to go to work under armed protection.

Six companies of the Sixteenth Regiment arrived here today.

GRAND ARMY MEN IN THE BIG PARADE.

President Roosevelt Reviews the Veterans of the War.

He Was Carried in a Chair and Placed in a Carriage.

WASHINGTON, Oct. 8.—The remnants of the magnificent armies of Grant, Sherman, Thomas, Slocum and Sheridan, which participated in the grand review at the close of the Civil War, again today passed up the historic Pennsylvania Avenue. The ten years that have elapsed since the former review of the Grand Army here in 1892, have sadly decimated the ranks of the old heroes. Most of the prominent figures in the parade on that memorable occasion, including General Benjamin Butler, who rode in a carriage, being even then too feeble to walk; ex-President Hayes, who marched on foot with his old comrades; General Rosecrans, ex-Governor Powell, the loyal Governor of the Mountain State and "Uncle Jerry" Rusk, have gone to their last bivouac. But those who still remained trudged valiantly today to the sound of drum and fife. Proudly aloft they held their tattered battle flags and the vast multitude through which they passed greeted them with cheers that fairly drowned the blare of the bands.

It was an ideal autumn day and swerving crowds were abroad early, crowding the sidewalks and crowding the great stands along the line of march. The procession move in the order prescribed by Chief Marshal George A. N. Blakeman. It was preceded by mounted police and this was followed in turn by a drum corps composed of survivors of Civil War musicians. Then came a mounted escort of citizens of Washington with whom rode General Blakeman. He was accompanied by his aides, riding in files of eight front and these were followed by the Marine Band. General Eli Torrance, Commander-in-Chief, occupied a carriage. He was preceded by his personal escort, consisting of John A. Rawlins Post of the Department of Minnesota, and accompanied by his personal staff and the Executive Committee of the G. A. R., immediately followed by the escort of the Grand Army, consisting of the First Regiment of the Sons of Veterans and a reserve of the Pennsylvania Division, and then came the various organizations of the Grand Army itself, led by the Department of Illinois, with Commander H. M. Trimble in command.

Among the departments in line were the following:

California and Nevada, Commander W. G. Hawley; Arizona, Commander C. H. Schumacher.

ROOSEVELT IN PARADE.

WASHINGTON, Oct. 8.—President Roosevelt today reviewed the Grand Army parade in his carriage. He was carried down stairs from his room on the second floor of the temporary White House in an invalid chair and amid the cheers of a large crowd was placed in the carriage, in which there was a board to support his injured leg. He was accompanied by Secretary Cortelyou and Colonel Bingham, his military aide.

His carriage was guarded by a platoon of mounted police under command of Major Sylvester, Superintendent of Police. As the carriage appeared on the avenue, the President was greeted with loud cheers. The President stopped at the reviewing stand for a moment until the marshals of the parade and Rawlins Post of Minneapolis, the right of the line had passed and then drove down the avenue to the Peace Monument at the foot of the Capitol. The veterans faced the carriage as the President drove up and saluted him. There was continuous cheering of the crowds, as the President drove along.

Mind's Acme Force revealed by Prince Arif Savay, Thursday eve., Unit. Ch.

WESTERN UNION'S ANNUAL SESSION

SOME INTERESTING FIGURES GIVEN ABOUT THE BUSINESS OF THE BIG CORPORATION.

NEW YORK, Oct. 8.—The annual meeting of the Western Union Telegraph Company was held here today and was exceptionally interesting because it was the first meeting since the change of administration. Col. Clowrey, the new president, made his report, showing an entire re-organization of the service in the eastern and southern divisions since he took charge in April. By re-arrangement of the operating forces and through the substitution of direct working circuits for repeating or relay offices, a reduction of $388,746 a year in operating expenses has been effected and the service greatly improved. There has been added to the system during the year 57,618 miles of wire. The total revenues for the year were $28,073,095; total expenses, $20,780,766, showing an increase of net revenue over the year 1901 of $607,080. The net surplus earnings of 4.2 exceed those of 1901 by 42 per cent. Since President Clowrey's accession in April contracts have been closed with railroad companies covering over 16,800 miles.

The Board of Directors was re-elected with the exception of Stuyvesant Fish, who resigned, and whose place was filled by the election of John J. Mitchell of Chicago and Howard Gould was elected to fill the vacancy created by the death of Mr. Perkins.

HE WAS CHASED AFTER A LECTURE

ONE OF THE MOB STRUCK THE SPEAKER WITH A CHISEL.

LIVERPOOL, Oct. 8.—John Kensit, the anti-ritualistic crusader, who was seriously injured September 25 at Birkenhead, near Liverpool, by being struck with a chisel, thrown at him after he had addressed a meeting, died today of pneumonia, supervening from the wound. His son, who is participating in the anti-ritualistic campaign and who was recently imprisoned for refusing to find bail to keep the peace by abandoning holding meetings, was permitted by the Home Secretary to visit his father yesterday. After an affecting meeting, the son returned to prison.

The elder Kensit's protests against the confirmation of ritualistic Bishops on several occasions caused sensational scenes. Among the most prominent incidents of the deceased's career was the disturbance which he created at St. Cuthbert's Church, Kensington, on Good Friday, 1898, by his protest against "the adulation of the cross" according to the Roman Catholic missal.

WAS THE ESCAPING PRISONER DROWNED IN THE ESTUARY?

State Railroad Policeman William Clarkson had a long chase last night after two young men who had broken into a box car containing cases of wine and were making off with their booty. For some time complaint has been made to the authorities that cars belonging to the railroad company have been entered and parts of the contents taken and so Policeman Clarkson was detailed to catch the offenders.

A carload of wine came in yesterday afternoon and was stationed at the foot of Broadway, where the officer concealed himself. Sometime afterwards two men approached the car and while one forced an entrance, the other kept watch. Then the officer made his apperance upon the scene. He placed the lookout under arrest and while he was placing the handcuffs upon the wrists of the man in the car, the lookout started to make his escape. Officer Clarkson called to him to stop, but the fellow only ran the faster. The officer turned his other prisoner over to a bystander while he started in pursuit.

The race led along the wharf, until the fleeing man saw that he would be overtaken and then he slid down a pile into the bay. When Clarkson came up, the fellow was nowhere in sight. Considerable time was spent in searching for him, but he could not be found. It is not known whether he was drowned or whether he hid under the wharf. The other prisoner was taken to the City Prison, where he gave the name of Max Holling and was charged with felony, but in the Police Court this morning the charge was reduced to petty larceny.

RUN DOWN IN A DENSE FOG.

KRONG PRINZ WILHELM CUTS DOWN A VESSEL BUT SAVES CREW.

LONDON, Oct. 8.—The North German Lloyd steamer Kron Prinz Wilhelm, which sailed from Southampton today for New York, ran into and sank the British steamer Robert Ingham, during a dense fog off Beachy Head, this morning. The Robert Ingham went down about four minutes after the collision, but the Kron Prinz Wilhelm saved all her crew of thirteen men, with the exception of the mate and the only passenger she had on board.

RUSSELL SAGE IS NOT IN ANY DANGER

HIS PHYSICIAN SAYS HE HAS A BAD COLD AND MUST REST.

NEW YORK, Oct. 8.—The condition of Russell Sage, who has been suffering from a bad cold and was threatened with pneumonia, was reported this morning as favorable. He is at his country house at Cedarhurst, L. I. The physician attending Mr. Sage said he was in no danger, but that it would be better for him to remain at home until next Monday.

Wall street was inclined to be doubtful about Mr. Sage's condition this morning. Mr. Sage has a large number of loans on collateral that might be wanted at any moment and in the event of his death and a sudden calling of his loans or a situation in which the securities in his safe deposit vaults, which are held as collateral, would be tied up indefinitely, would result in considerable trouble and loss.

C. W. Osborne, cashier for Mr. Sage, to set at rest any fears on the latter point, made the authorative statement that in the event of Mr. Sage's death his debtors would have no trouble.

AN EXPLOSION WAS THE CAUSE OF FIRE.

Large Structure is Burned Down and the Loss is Very Heavy.

BIRMINGHAM, Ala., Oct. 8.—An explosion today in the one-story warehouse of the Moore and Handley Hardware Company, adjoining other buildings of the company on Powell avenue, caused a fire which destroyed property valued at $200,000.

The company's main building, a three-story brick structure, narrowly escaped destruction.

C. M. Rice, a clerk, and John Simpson, a salesman, were hurt. Several heavy explosions occurred during the progress of the fire, causing a panic among the thousands of spectators.

Piedmont Sulphur Springs Park—Cool shady, delightful.

SAN FRANCISCO COURT MARTIAL

COLONEL HUSTON MUST TELL WHY HE DID NOT SUPPRESS SOLDIER RIOTS.

SAN FRANCISCO, Oct. 8.—Major-General Hughes has ordered Lieutenant-Colonel Joseph F. Huston of the Nineteenth Inantry to appear before a general court-martial at the Phelan building next Friday and answer to a charge of being derelict in his duty as an army officer during the recent riots near the Lombard street entrance to the Presidio, where two saloons were wrecked by attacks of the soldiers stationed at the post.

The order of General Hughes has caused a stir in military circles, owing to Colonel Huston's prominence. It will be the contention of the defense that Colonel Huston acted within his jurisdiction and that the army regulations do not provide for troops doing municipal police work outside a military garrison.

Piedmont Sulphur Springs Park—Cool shady, delightful.

LITTLE KNOWN ABOUT MAN SHOT

SACRAMENTO, Oct. 8.—But little is known here about Robert W. Tetherington, who was shot at Salt Lake City. His mother and sisters reside here, but according to them he is a traveling man. He is 25 years of age and has been away from here twelve years.

PARDEE DISOWNS HENRY P. DALTON

ANNOUNCES THAT HE IS FOR THE WHOLE REPUBLICAN TICKET.

Dr. George C. Pardee has authoritatively disclaimed sympathy with or approval of Henry P. Dalton's candidacy for County Assessor. This is in contradiction of a statement printed in the Examiner to the effect that Dalton became a candidate by agreement with Dr. Pardee. In a signed card Dr. Pardee announces that he is for the whole Republican ticket.

Here is what Dr. Pardee says in the Enquirer of October 7th:

Editor Enquirer: Deny for me any connection with Mr. Dalton's candidacy. He is running on his own responsibility and there is no agreement between us. I am for the whole Republi ticket.

GEORGE C. PARDE

WILL GO TO HONG KONG.

WASHINGTON, Oct. 8.—Edward S. Bragg, Consul-General at Havana, has been transferred to the post of Consul-General at Hong Kong, taking the place of William A. Rublee, who has been transferred to the consulate at Havana.

CHIEF OF POLICE FILES HIS REPORT

At a regular meeting of the Board of Police and Fire Commissioners this morning Chief of Police Hodgkins submitted his report for the month of October.

The total number of arrests are classified as follows: Murder, 1; burglary, 3; robbery, 1; assault to commit rape, 1; assault with a deadly weapon, 1; petit larceny, 11; carrying concealed weapons, 4; disturbing the peace, 29; battery, 7; vulgar language, 2; violating ordinance, 97; cruelty to animals, 1; selling lottery tickets, 12; malicious mischief, 1; drunk, 225; insane, 4; runaways, 6; train jumping, 1; willful neglect, 1, and felony, 2.

The amount of money and property taken from prisoners when arrested, $88.50.

A communication was received from Roger Sicotte of 985 Eighth street, making application for a position as extraman in the Fire Department.

The Council resolution authorizing the Board of Works to repair its wagon in the Fire Department was referred to the superintendent of the Fire Alarm and Police Telegraph with power to act.

Adjourned.

PRINCE WILL LECTURE.

In view of the lecture which Prince Savay will deliver tomorrow night at the Unitarian Church on the doctrines of Amrikirm, the following statement of the word has been made:

The word Amrika means in sanscrit beyond death—immortality. The ancient secret doctrine of the order taught a conditional immortality, that is, that only some beings in this world could hope for the life hereafter, the existence of the rest being terminated with the present life. Out of this belief grew the order which is today the most exclusive organization in the East. The object of the order is to study the course of things and the phenomena of life. A full explanation will be made tomorrow night by Prince Savay.

W. C. PALMANTEER TELLS OF HIS TOUR IN CANADA AND EAST.

Manager of the Central Bank Talks of Finances and Business—Kind Words for his Home City and a few Suggestions.

W. C. Palmanteer, manager of the Central Bank, returned last night after a five weeks' tour of business and pleasure in the East and was seen this morning by a TRIBUNE reporter, to whom he spoke in a cheerful way about his experience while absent from this city. Mr. Palmanteer takes a practical view of things and his observations in the East will be read with interest by people in the various lines of activity in the mercantile and commercial world.

He has returned an even more ardent lover of Oakland, California, than he had been before the inception of the journey.

TELLS OF HIS TRIP.

"I left here five weeks ago," said Mr. Palmanteer. "I went first to Vancouver and then by means of the Canadian Pacific to Fort Williams on Lake Superior. I then crossed the lake to Owen Sound, Georgiana Bay and then went to Toronto. At Toronto I made my first stop. Toronto is really the brightest and best business city and the city with the most push in the Provinces. I then went by the St. Lawrence to Montreal and remained there a few days. Montreal is a fine city. It has a number of fine large blocks all built of stone. These are made of granite quarried there and present a very fine appearance. A great part of the business and residence district is built of stone.

AT QUEBEC.

"I then went to Quebec, where I remained several days. Quebec is an old town. It is full of quaint features and is one of the most interesting towns I have ever visited.

IN NEW YORK CITY.

"I then went on Lake Champlain and by means of Lake George and the Hudson River went to New York City. I remained in New York ten days.

ABOUT THE TRUSTS.

Speaking on the trusts, Mr. Palmanteer said: "There are a number of trusts back there. Some of them are large and others are small. But the biggest fellows are on top, while the little fellows are below. There are some trusts that can scarcely do anything in the way of making money. They are composed of the little men who were less important when in their own business. The men who are at the top were big business men in the years that have passed. On the whole, the understanding is that many of the larger trusts have a bad influence on the average business of the country, while on the other hand success depends on the ability of the men who control them.

THE MONEY MARKET.

"The money market was very close during the last flurry, but good, sure men who were doing a safe, legitimate business could easily have gotten accommodation without the payment of exorbitant rates; although money in New York, with good business houses, whose security is unquestioned, is at a higher rate when compared with the Pacific Coast. This is caused by the fact that there is more business there in comparison to the money than there is on the Pacific Coast.

"We have a greater amount of money here in proportion to the business than they have in the East. Manufacturing establishments are so vast there that people can use money to good advantage and a higher rate of interest. The rate we read of as being exorbitant during the flurry, namely 20 per cent or twenty-five per cent, was in only a few speculative circles, but men who did legitimate business, could at all times get money at a fair commercial rate.

PRESIDENT ROOSEVELT.

"President Roosevelt is growing very strong in every portion of the East and in Canada he is recognized as a powerful and progressive man, a man who would be a leader and push ahead when he thought he was right regardless of enemies or friends. He is very strong in the minds of the people of the Eastern States.

BANKS AND BANKING.

"Banks are doing an expanded business all over the United States, in comparison with all other lines of business. The cause of this is that whenever other lines of business are on the move and manufactories are running to their full capacity and improvements in building are going on, every line makes a demand on the favor of the banks.

"The banks do business on a strictly business basis. 'Call money' in New York, Boston and Chicago, means just what it is termed. That is, when it is called, they expect a prompt response, and 'call' loans are collected at once. Stocks, bonds or any collateral or security held on such loans is sold without a thought of the sacrifice. They pay no attention to that. They are sold at once. The borrower expects it. When he puts up security, he expects it to be sold, if he fails to pay when his obligation becomes due. The bankers there feel if the borrower wants sympathy he ought to do business with his friends.

"Much more leniency is shown by the banks on the Pacific Coast to customers than is shown in the Eastern cities.

SOMETHING ABOUT HOTELS.

"While visiting many cities, I found it difficult to get accommodations at the hotels. All of them were full, sometimes, where we wired ahead. Every one of them seemed to be taxed to its fullest capacity. A good hotel is a fine thing to a person traveling. It is a source of comfort and tends to make a traveler think well of and remember a town. I have heard travelers go away from a place and exclaim every time, 'They have a fine hotel' in such or such a place. They are disposed to size up a town by its hotel. When you go to a fine hotel, one is liable to object sometimes to the high charges, but afterwards when he considers the comforts he has had, he considers that they were worth all he paid, rather than to have gone to a little place which had no comforts whatever to offer.

HOTEL IN QUEBEC.

"In old Quebec, they have a hotel which cost over a million dollars. It is one of the prettiest hotels I ever looked at. It is run in fine style. It was crowded when I was there. They were turning many away. They couldn't get accommodations. It was the same at Boston, at the best hotels. At Albany at the best hotels, it was impossible for a party to get rooms. In New York City all the best hotels were crowded. This is all occasioned by the fact that more people are traveling now then ever before.

HIS HEART FOR OAKLAND.

"In all my travels there was no place I liked better than Oakland. There was no place that caused me to forget it.

"One of the principal needs of this city is a first-class hotel—a first-class tourist hotel. We would get people from all parts of the world to stop here if we had a hotel—people who now never come near this city.

BACKED BY OUR WEATHER.

"This weather which we have here today and which we have nearly every day of the year, if backed up by such a hotel, would keep thousands of people here all the time. There is no place that I have ever seen that nature has done so much for as a site for such a hotel. It is such a hotel that I hope we may have some time.

MUCH RAIN.

"The greater part of the time I was away it was raining. It was raining in Boston. When I got to Chicago it rained nearly all the time. When I got to Canada it was raining there. Why, I would have given $50 for a day like this. In New York some of our party wanted to go shopping. You would scarcely get out before you would be caught in a storm. You would get wet and muddy and disgusted. Such misery we do not experience here, even in what we call the rainy season.

FAIR CALIFORNIA.

"In all parts of the East, both in Canda and the Eastern cities, I have heard many people say they would like to move to California, and the opinion of people there with regard to California is very high. No State is more respected or stands better with them than California, and it ought to, and I believe it will grow faster than any other State."

STREET RAILWAY MEN IN SESSION

DETROIT, Michigan, Oct. 8.—Over 700 street railway men were present when the annual meeting of the American Street Railway Association was called to order today. President Herbert J. Vreeland, of New York, after replying to Mayor Maybury's address of welcome, severely arraigned the present day attitude of the public, of municipal assemblies and of State legislators toward street railway interests.

He charged that notwithstanding the fact that inviolability of contract was one of the very fundamental principles of American government, contracts between municipalities and street railway companies were apparently held to be binding only upon the companies, the contracts being infringed constantly by new taxes and new regulations.

"Even in the courts and before juries there is an attitude of antagonism toward railway interests," said Mr. Vreeland, "although in most any suit at law other than one affecting our interests, the first aim is to procure an unbiased jury. Although the Supreme Court of the United States has held that the income tax law was unconstitutional, many States discriminate against street railways by requiring them to pay additional taxes upon their gross earnings."

President Vreeland declared that one of the points street railway men would have to gain in the near future was the free interchange of freight cars between electric and steam railroads.

President Vreeland showed that during the year 1901, capital invested in street railways in the United States has been increased to $467,055,002 and the mileage by 2,594 miles.

DAN PATCH FAILS

TERRE HAUTE, Ind., Oct. 8.—Dan Patch failed to break the world's record today, making a mile in 2:01.

BAPTISTS ARE IN SESSION.

CENTRAL ASSOCIATION IS NOW HOLDING MEETINGS IN THIS CITY.

The second day of the twenty-second annual session of the Central Baptist Association convened this morning in this city. The morning services opened with religious exercises led by Rev. Hugh W. Brown of Chicago. An hour was devoted to the devotional exercises. Letters were read from the churches in the association expressing goodwill and fellowship.

The treasurer made his report and the reports of the other officers were heard.

The rest of the morning session was given over to an address by the Rev. M. Slaughter of East Oakland on the subject of "Evangelical Work in the Association." Discussion by many of those present followed.

The enrollment committee reported that there were ninety names enrolled so far as delegates.

In the afternoon a devotional hour was conducted by the Rev. Hugh W. Brown and then several committees were appointed.

A conference was then held on evangelistic work, in which the following participated: Revs. Thomas Baldwin, D. D.; Rev. A. W. Buckland, Rev. R. L. Halsey, Rev. J. M. Halsey and was followed by a free discussion.

After hearing the reports of committees an adjournment was taken until this evening, when the Rev. A. P. Brown of Fresno and Rev. Thomas Williamswill give addresses.

The officers of the conference are: Rev. J. George Gibson, moderator; L. M. Reed of Ceres, clerk, and C. J. Lombard of Oakland, treasurer.

Committees were appointed by the moderator as follows: On enrollment, Rev. M. Slaughter, Rev. Robert Lynch and Rev. L. J. Sawyer: on nominations, Rev. C. M. Hill, Rev. E. Goodwin and Mrs. N. Brace: on arrangements, Rev. H. J. Vosburgh, Mrs. L. A. Johnson and Mrs. Della Hildebrand.

ARMY VETERANS FOR REPUBLICANS

At a meeting of the Veteran Republican Club of Alameda held on Tuesday evening, October 7th, a resolution was unanimously adopted repudiating the action had at a recent meeting held in Oakland, purporting to consist of delegates from the various Camps of the Army and Navy Republican League, at which a ticket other than the regular Republican ticket was endorsed and recommended, as being entirely unauthorized and unwarranted so far as the Veteran Republican Club is concerned, as no notice was ever had of such meeting and no one authorized to represent the club was present.

The following resolution was also unanimously adopted:

"Resolved, That the Veteran Republican Club of Alameda desires to express its appreciation of the services rendered by Senator Perkins and Congressman Metcalf in behalf of deserving Veterans, on the floor of their respective Houses in Congress, as well as before the different departments in Washington and on this Coast, and pledges to both all assistance in its power in and of the aspirants of both for re-election, fully believing the brightest interests of all will be subserved thereby.

"GEORGE BABCOCK,
"Acting Adjutant."

"Mysteries of Mind," Unitarian church Oct 9, Thursday evening.

THREATENED TO KILL HIS MOTHER

Mrs. P. Calabra of 653 Linden street has applied to the police authorities for protection from her 14-year-old son, Tony, who she says has many times threatened to kill her. To Chief of Police Hodgkins Mrs. Calabra stated that her son is incorrigible and she wants him sent to a reform institution.

A warrant has been issued for Tony's arrest on a charge of disturbing the peace, but so far the officers have been unable to locate the youth, and it is thought that he has run away from the city.

BOODLERS SAY NOT GUILTY

ST. LOUIS ALDERMEN APPEAR IN COURT TO ANSWER CHARGES.

ST. LOUIS, Oct. 8.—Delegates Emil Hartmann, Louis Decker and John (Kid) Sheridan were arraigned in Judge Douglas' court today on charges of bribery and pleaded "not guilty." They were remanded to jail.

Delegate Charles F. Kelly, fugitive from justice, did not appear today when his case was called in the criminal court. The defendant is charged with misconduct in office and his trial went over until a later date.

The cases of Charles L. Geraghty and Councilman Louis Schnell, charged with similar misconduct, were also called today. Both answered in person. There was a written motion to quash the indictments in the case of Schell and a verbal motion by Attorney Mulvehill to quash the indictments against Kelly and Geraghty.

Judge Clark said he would eventually quash the indictments in the cases of Schell and Geraghty, but he believed that the city had sufficient evidence upon which to base a new indictment and he would continue the cases to October 24.

DEWEY MUSICIAN DEAD IN HIS ROOM

T. A. Lorenzen, a musician employed in the Dewey Theater orchestra, was found dead about 8 o'clock this morning in his room at 318 Thirteenth street. Death is supposed to have resulted from heart failure although the deceased had never complained of that organ causing him trouble. He was found by Steve Towne, the proprietor of the lodging house where he roomed. The body was lying on the floor in such a manner that indicated that the deceased had just arisen with the intention of dressing.

Deceased was about 55 years of age, a native of Denmark, and had for some time been playing in the theater orchestra. He was well known by the musicians about the bay and was of a very quiet disposition. The remains have been removed to the Morgue and the funeral arrangements will be made after the inquest is held.

OLD PUBLIC LIBRARY FOR JUSTICE COURT

At a meeting of the Board of Public Works this morning the following resolution was passed without any discussion by the members:

"Resolved, That Council Resolution No. 27,709, authorizing the Board of Public Works to repair and renovate the old Free Public Library building for the use of the City Engineer and the City Justice at a cost not to exceed $300, be and is hereby referred to the City Engineer to prepare plans and specifications for said work."

ESCAPED PRISONER HAS BEEN CAUGHT

SACRAMENTO, Oct. 8.—Byron Murphy, the convict who stole a locomotive at the Folsom prison yesterday afternoon, and with it rode safely out of the grounds to a point seven miles down the valley, where he made for the American river, was this morning re-captured near Sacramento by Constable Millard of Perkins.

TELL ABOUT OREGON LINE.

SALT LAKE, Utah, Oct. 8.—The annual meeting of the stockholders of the Oregon Short Line Railway was held at the general offices of the road in this city today. 73,111 shares being represented at the meeting. The following directors were elected at the morning session:

Oliver Ames, Samuel Carr, T. Jefferson Coolidge Jr., Gardner M. Lane and Oliver W. Mink of Boston; H. H. Harriman, Edwin Gould, William D. Cornish, W. E. Glynn, Francis Bangs and Winslow S. Pierce of New York; Horace G. Burt of Omaha, Otto H. Kahn of Morristown, N. J., and W. S. McCornick of Salt Lake.

A special meeting of the Board of Directors will be held here tomorrow to take action on the proposed amendment to the charter admitting of improvements for navigation. A similar amendment, it is understood, will be made to the charter of the Union Pacific at the meeting of the directors of that road to be held here next week. Under the present charters neither the short line nor the Union Pacific can use the funds of the system for navigation improvements, and until the proposed action is taken nothing can be done in the way of forwarding the plans for the new steamship lines to points in the Orient not now reached by the Union Pacific.

RAILROADS ARE GIVEN MORE TIME

ALBANY, N. Y., Oct. 8.—The hearing, which was to have been given today before Attorney-General Davies on the application to commence proceedings under the Donnelly anti-trust law against the coal-carrying railroad companies operating in this State, which control the anthracite fields in Pennsylvania, has been adjourned until October 15, at the request of the railroad companies.

The Pennsylvania Company filed an answer in which it denies it is a party to any illegal combination.

COLLECTOR STRATTON BACK FROM TRIP

SAN FRANCISCO, Oct. 8.—Collector of the Port Fred C. Stratton returned this morning from a pheasant and duck hunting trip in Southern Oregon. He reports having had a most delightful week of sport. He brought back the limit of game allowed by law.

WRECKED NEAR COSTA RICA

SHE WAS ON THE WAY TO HAMBURG AND IS NOW ON ROCKS.

SAN FRANCISCO, Oct. 8.—The Kosmos line steamer Kambyses is a wreck on Guinos Point on the coast of Costa Rica. The vessel left here on September 18, bound for Hamburg, and news of her loss was received this afternoon in a dispatch received by the Merchants' Exchange. The message announces that it is thought that the cargo or a large part of it can be saved.

The Kambyses is a large steamer of over 3,000 tons and she sailed out of this harbor with a full cargo of general merchandise for Hamburg. She was one of the finest of the vessels on the line.

WILL TALK TO THE POLES.

LEMBERG, Galicia, Austria, Oct. 8.—Herr Stapinski, a deputy in the Galician diet and leader of the Polish people's party in this province, who is going to the United States to investigate the condition of the Polish immigrants and try and induce them to return to their own country, started for America today. He has received a grant from the Galician provincial council to assist him in making his investigation, with a special request that he report how the immigrants can be best protected against agents, whether a bureau to procure work for Galicians could be established in the United States, and what professions and trades offer the best openings for Galicians.

THEY LYNCHED SCHOOL MASTER

LONDON, Oct. 8.—A dispatch from Vienna announces that a fearful tragedy was enacted at Drolssig, Bohemia, on Monday.

A village school master, 40 years of age, while talking to his class, suddenly became insane, rushed to his desk, drew a revolver from it and ran amuck, shooting right and left among the terrified children.

Three pupils were killed and three were dangerously wounded.

On hearing the shots and screams, the villagers quickly arrived at the school and, infuriated at the sight which met them, lynched the school master.

W. C. T. U IN SESSION AT SANTA CRUZ

SANTA CRUZ, Cal., Oct. 8.—The State Convention of the W. C. T. U. this morning was attended by 138 delegates. A telegram of greeting was received from conventions in session in New Jersey. The election of officers occupied the session and when adjournment was taken at noon Mrs. B. S. Peel of Stockton had been elected president for the thirteenth time. She received 105 votes and Mrs. S. J. Dorr of Santa Clara 29.

Mrs. D. J. Spencer of Alameda was elected corresponding secretary and Mrs. Anna Lytle Barry of San Francisco was made assistant corresponding secretary.

SYNDICATE BUY THE STITT PROPERTY

There was placed on record this morning a deed from Joseph Furtado to the Realty Syndicate, deeding to the corporation several lots near Evoy avenue and West street. The land conveyed is 200x150 feet, commonly known as the Stitt property. There was only the nominal consideration of $10 expressed.

YOUNG PASTOR IS ORDAINED

SANTA ROSA, Oct. 8.—Thornton K. Mills, formerly of Oakland, pastor of the People's Church here, was ordained this morning by a special council at the conference of liberal churches of Northern and Central California. The ordination and installation sermon will be preached tonight by the Rev. B. Fay Mills, pastor of the First Unitarian Church of Oakland, father of the young minister.

Thornton K. Mills was recently called to the pastorate of the People's Church to succeed Jay William Hudson, the organizer of the church, who resigned from the charge to travel and to pursue higher studies. The new pastor is just twenty-one years of age.

At the opening of the conference last night the Rev. Bradford Leavitt made the opening address. Fairfax H. Wheelan, president of the University Club, also addressed the assembled delegates. "The Religion for the Modern Man" was the subject of discussion for the evening.

Among those participating in today's discussions are Jay William Hudson, the Rev. F. L. Hosmer, the Rev. E. F. Dinsmore, Archibald Johnson and Walter C. Cooper. The conference closes tonight.

FIVE MEN KILLED.

LONDON, Oct. 8.—Five blue jackets were killed today and others were injured by the accidental explosion of a shell in the naval arsenal at Spenzia.

C. W. Kinsey, Dealer in New Style Household Furniture, Carpets, Ranges, Etc.

Modern furniture bought, exchanged or sold on installment payments. Cash discount 10 per cent from installment prices, 462-464 Thirteenth street, Oakland.

J. P. TREADWELL SHOOTS WIFE AND KILLS HIMSELF

STRANGE STORY OF MURDER AND SUICIDE COMES FROM PASADENA.

PASADENA, Cal., Oct. 8.—James P. Treadwell and his wife of Pittsburg, Pa., who have been staying in this city for the past two weeks, went to Rubio Canyon, on the Mount Lowe Railway this morning, and while there Treadwell attempted to kill his wife and succeeded in killing himself.

From meager reports that have reached here, it appears that the couple went to the head of the canyon, which is at the foot of the mountain railroad incline, where Treadwell shot his wife with a revolver, inflicting a superficial wound in the head that will not prove serious.

Supposing that he had killed her he then turned the gun upon himself and sent two shots into his body, one in the breast and the second in the head, killing him instantly.

No reason for the attempted murder and subsequent suicide is known here.

Treadwell was a young man and left Pittsburg with his wife on August 25.

MRS. BRADBURY IS DYING.

SAN FRANCISCO, Oct. 8.—The mother of "Johnnie" Bradbury, she who controls the great Bradbury fortune, lies at the point of death in her Oakland home. The aged women is not expected to live more than a few hours, or days, at the most.

The Bradburys have been sent for from Southern California and are expected to arrive at any moment. They come in response to the message "Mother is dying."

It has been five years since "Johnnie" Bradbury mingled with the high-rolling swells of San Francisco society.

His last appearance here was made under circumstances easily recalled not only by society folk, but also by the great plain people as well. Bradbury came in search of his erring wife.

TRY TO STOP COAL COMBINE.

PHILADELPHIA, Pa., Oct. 8.—Frank H. Thompson of this city began proceedings today in the United States Circuit court, to have the Reading and Pennsylvania Railroad, the Central Railroad of New Jersey, the Lehigh Valley Railroad, the Delaware, Lackawanna and Western Railroad, the Delaware and Hudson Road and the New York, Ontario and Hudson Railroad declared an illegal combination, because they are engaged in an unlawful restraint of the anthracite coal supply. Mr. Thompson also requests that the representatives of the companies "be restrained and prohibited from meeting together for the purpose of fixing the rate of coal or market price thereof."

TELL ALL ABOUT SOUTH AFRICA

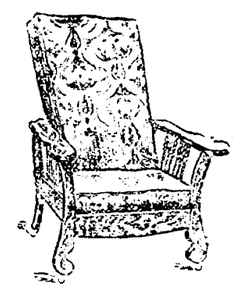

LONDON, Oct. 8.—The report of the commissioners sent to South Africa to investigate trade opportunities has been published. It establishes the enormous opportunity for trade in engineering, mining, agricultural and electrical machinery of all kinds, street car and lighting equipments and iron and steel constructional work. The commissioners found everywhere that American and German competition was very keen. They were surprised at the antiquated business methods of the British manufacturers.

LARGE LOSS SUSTAINED BY FIRE IN OIL FIELDS.

BEAUMONT, Tex., Oct. 8.—Reports received today regarding the loss sustained by last night's fire in the oil fields vary, although experts place it from $100,000 to $250,000. The number of tanks destroyed will not be known for several days, but it is estimated at between thirty-five and eighty. Rumors of loss of life have proven untrue. Thomas Crowley, an employe of Brice & Company, was probably fatally burned while working at the top of a derrick. He is the only one injured, according to the latest accounts.

The fire started in the J. E. Corbett well, near the center of Spindle Top avenue, fronting the middle section of the Hogg-Swayne tract, and swept the section, completely destroying practically every derrick and pumping rig. The fact that there was no wind prevented the spread of the fire into other sections.

WALTER S. MACKAY & CO.
October 8th, 1902.

This IS THE Morris Chair —WE— GUARANTEE

$14.00

Without a doubt the very best chair of its kind on the market today. The framework is extra heavy quarter sawed, solid golden oak. (Or, if you choose, we have them in imitation mahogany.) The cushions are of the purest moire velour in a good variety of colorings. Reversible, spring seat, hair cushions. Nothing superior has ever been shown on this coast. You can buy them on credit.

Mackay's
413-424 Fourteenth St

JUDGE DANIELS WILL HOLD OFFICE

SAN FRANCISCO, Oct. 8.—Justice of the Peace Daniells is still an official of the city and county working for re-election to the office he now holds.

Judge Seawell this morning passed on the accusation against Justice Daniells and dismissed the proceeding to oust him.

Attorney Martieth, who brought the accusation, argued at some length to convince the court that Justice Daniells neglected his plain duty when he refused to hear the motion Montieth made in behalf of a debtor to release exempt property held by the Sheriff under attachment in garnishment. But evidently the court was not convinced, for without waiting to hear any argument in behalf of the accused Justice, Judge Seawell said:

DIED.

JUNKER—In this city, October 7, 1902, Edwin, beloved son of Herman and Mrs. Alta Junker, a native of Oakland, aged 2 months and 22 days.

WARREN—In this city, October 7, 1902, Nahum S., brother of Eugene H. Warren of Oakland and John M. Warren of North Hampton, Mass., and brother of E. M. Townsend of Brooklyn, New York, a native of Maine, aged 64 years.

Friends and acquaintances are respectfully invited to attend the funeral TOMORROW (Thursday), October 9th, at 10:30 o'clock A. M., from parlors of Albert Brown, 468 13th st., Oakland, under the auspices of A. O. U. W. Interment Mountain View Cemetery.

Oakland, Oct. 1st., 1902 Du Ray Smith

BERKELEY and STATE UNIVERSITY

College Professors To Teach Scientific Farming.

"Locomotive" Smith To Re-Enter College and Play Football.

South Berkeley Ladies Will Appear Tonight In Amateur Play.

BRANCH OFFICE, 2211 STANFORD PLACE **TELEPHONE MASON 1761**

BERKELEY, Oct. 8.—Work of instruction in the courses on dairying and agriculture began this morning at the State University. The students enrolled in the two courses assembled in the lecture room of the Agricultural Building, where President Wheeler, Professor E. W. Hilgard, Professor E. J. Wickson and Mr. E. J. Major addressed them. The courses will end in ten weeks, closing with the current term.

Twenty-two students enrolled in the course on dairying and seventeen in that on agriculture. The students represent every section of the State. Their names are as follows: Dairying—C. E. Rider, Galt; M. S. Salmina, Cambria; J. A. Simmons, Tulare; Edward Young, San Jose; R. B. Thomas, Lorin; Dr. T. C. Jones, Redondo; W. T. Reid, San Louis Obispo; W. E. Brock, Alameda; T. M. Williams, Elk; J. A. Sargent, Sargent; I. H. Iverson, Point Arena; O. W. Brown, Walnut Grove; James M. Duffy, Julian; Frank Bothwell, Los Angeles; M. J. Hartson, Cmoro; J. J. Armstrong, Dos Palos; Lawrence Cadro, Crescent City; Ralph Schamp, Lodi; W. H. Bailey, Haywards; J. G. Castellanos, Berkeley; E. G. Roy, Crescent City; G. W. Morse, Berkeley. Agriculture—Charles A. Edwards, Berkeley; H. F. Sturtevant, Oakland; John Gill, West Berkeley; W. T. Kirkman, Merced; Fred Wemicke, San Francisco; J. W. Barnicole, Newcastle; O. E. Shippard, Redding; J. C. Leak, Auburn; George McCord, Hanford; Miss Emily Hamilton, Berkeley; John Hooper, Eldridge; Mrs. Kate E. Hunt, San Francisco; George F. Ruble, Berkeley; Miss Susan B. Ames, Berkeley; Miss Emma F. Cole, Oakland; L. A. Somers, San Francisco; T. S. Hudson, Watsonville; C. S. Lamb, Berkeley.

This is the second year that the course in dairying has been given and the first year that instruction in practical farming methods has been attempted.

"LOCOMOTIVE" SMITH WILL RETURN AND PLAY FOOTBALL.

BERKELEY, Oct. 8.—Warren Smith, the famous bucking half back of the State University, who was called to his home near Sacramento by the death of his father, has written to the Sigma Nu Fraternity, of which he was a member, that he would return to the University in about ten days and that he would play football. The news comes as a relief to California, as it was feared that Smith would not return. At the present time it seems as if his services would be needed if California is to win against Stanford in the intercollegiate game on November 8.

Although it is thus definitely settled that Smith will return, yet he will not be here to play against the Alumni team on Saturday next. He will, however, be able to play in the old 30 to 0 team, which will meet the Varsity on October 28. The men that Manager Decoto has thus far secured to play in the game are Griesberg and Athearn at guard, Whipple at tackle, Womble at end and Hall and Kaarsberg behind the line. The team will be made up as far as possible from the players of the teams which defeated Stanford 22 to 0 and 30 to 0, and won for California the Phelan football statue.

SOUTH BERKELEY LADIES WILL GIVE ENTERTAINMENT.

BERKELEY, Oct. 8.—The ladies of the South Berkeley Presbyterian Church will give an entertainment tonight in Ashby Hall, the proceeds to go to the general church fund. The leading feature of the program will be a farce, "Ici on Parle Francais." The cast of characters is as follows: Mr. Spriggins, Percy Betts; Mrs. Spriggins, Mrs. Albert Hill; Angelina, their daughter, Mrs. J. H. Schroeder; Major Rattan, Percy Whaite; Julian, Major Rattan's wife, Mrs. W. M. Wright; Victor Dubois, George Moenning; Anna Maria, maid of all work, Mrs. Frank Fowden.

The remainder of the program will be as follows: Piano solo, Miss Keane; contralto solo, "Hello, Central, Give Me Heaven," Miss Oldrieve; tenor solo, Mr. Woods; reading, J. H. Cooper; soprano solo, Mrs. Cary Parcell; baritone solo, Frank Fowden; recitation, Miss Mary Roland; tenor solo, Aubrey Yates; singing and fancy dancing, Miss Edna Duff.

The program is under the charge of Mrs. Albert Hill.

FRESHMEN WIN FROM OAKLAND HIGH SCHOOL.

BERKELEY, Oct. 8.—The California Freshmen defeated the team of the Oakland High School yesterday afternoon on the campus by the decisive score of 22 to 0. The High School team was much lighter than the University team and could not make yards against the heavier men. California, on the other hand, was slow in starting, losing many yards by its delay in taking advantage of holes in the opposing line.

The entire line-up of the Freshmen team was changed during the game, thus giving all the candidates for positions a chance to prove themselves.

Tomorrow the Freshmen will play the Peerless football team of San Francisco. During the next week two more practice games will be played. A week from next Saturday the annual intercollegiate Freshman game will be played in San Francisco.

MISS STOCKWELL BECOMES BRIDE OF WILLIAM NEEDHAM.

BERKELEY, Oct. 8.—Miss Alma E. Stockwell became the bride of William Needham this afternoon at the residence of the bride's parents, Third University Cottage. The ceremony was performed by the groom's father, Rev. A. H. Needham, who is pastor of the First Methodist Church of Los Gatos. It was witnessed only by the immediate relatives of the contracting parties.

After a short honeymoon, the young couple will return to Berkeley, where both are well known. The bride has been especially prominent in University circles. The groom is a young business man, well known in Berkeley and San Francisco.

LACK OF SCHOLARSHIP DISQUALIFIES PLAYERS.

BERKELEY, Oct. 8.—Of the eleven members of the Berkeley High School football team, five only will be eligible to play in the Academic Athletic games. Six are disqualified on account of scholarship. Those who can play are George Kerr, E. Solinsky, Robert McKeown, Ivan Hamilton and M. A. Grant.

CHRISTIAN ENDEAVORERS WILL ELECT OFFICERS.

BERKELEY, Oct. 8.—The Christian Endeavor Society of the Trinity Methodist Church has elected the following officers: President, J. G. White; Vice-Presidents, Mrs. Margarite Davies and Miss Gale; Recording Secretary, Miss Stringfield; Corresponding Secretary, D. W. Barstow; Treasurer, J. Neighbor.

GRADUATE MANAGER DECOTO OPENS LAW OFFICE.

BERKELEY, Oct. 8.—Ezra Decoto, graduate manager of the student body affairs at the State University, opened a law office yesterday in Oakland and will conduct the affairs of the student body in conjunction with his law practice.

PERSONAL MENTION OF BERKELEY PEOPLE.

BERKELEY, Oct. 8.—Ralph Putzker is back from Alaska. He intends to start soon for Winters, where he will establish himself in the drug business.

George Colignon of this city has returned from a trip around the world taken on the "Sierra."

Maier Weill visited college on Monday. He will leave soon for New York, where he will attend the Stanhope-Wheaton School of Dramatic Art.

FRESHMEN FOOTBALL PLAYERS ELECT MIDDLETON CAPTAIN.

BERKELEY, Oct. 8.—At a meeting of the Freshmen football team, held yesterday afternoon, William H. Middleton was elected as captain of the team.

Middleton enters the University from the Lowell High School, where his work on the gridiron made him known as one of the best players in the Academic Athletic League. His position is tackle. He weighs 165 pounds, and is 21 years of age.

Middleton is studying for the medicine. At present he is registered in the College of Pharmacy in San Francisco.

WOMEN STUDENTS WILL RECEIVE MRS. HEARST.

BERKELEY, Oct. 8.—Mrs. Phoebe Hearst will be the guest of honor at the noonday concert to be given by the women of the University on Friday, October 17th. The program will consist of a concert, luncheon in Hearst Hall and a basket ball game. Later in the afternoon the Encinal Club will receive Mrs. Hearst at an "At Home."

BOY POISONED BY STINGS OF WASPS.

BERKELEY, Oct. 8.—Paul Mackie, ten-year-old son of William Mackie of the San Francisco Mint, lies dangerously ill at his home at 2537 Hearst avenue as the result of wasp poisoning. Yesterday afternoon the young boy was playing around the creek, when he fell upon a wasp's nest. He was rescued from his position by Rev. Gerald L. Buchannan, who was standing near by.

NATIVE SONS OF LIVERMORE.

MEMORY WILL BE REVIVED OF OF THOSE WHO HAVE GONE BEFORE.

LIVERMORE, Oct. 8.—In accordance with the annual custom of the Native Sons of the Golden West services will be held under the auspices of Los Positas Parlor, No. 96, in Odd Fellows' Hall, Sunday, October 12, at 2:30 o'clock p. m. The memorial address will be delivered by Rev. James B. Stone, pastor of the local Presbyterian Church, and music will be furnished by the Native Sons quartet. After the services in the hall the Natives will repair to the different cemteries and decorate the graves of the deceased members of the order.

BROKE HIS RIBS.

John Meyn, a farmer living near town, met with a very painful if not serious accident last Sunday night. He was driving a spirited horse attached to a cart and while going at a very rapid rate of speed the axle of the cart broke and threw Mr. Meyn to the ground. Meyn was rendered unconscious by the fall and had several ribs broken. He was taken home and a physician summoned. At last reports Mr. Meyn was resting easy and out of danger.

PERSONALS.

Mrs. W. S. Taylor and daughter, Marion, started Monday on a trip to the Eastern States. They will first visit relatives in Pittsburg and then take in other places. They expect to be gone at least two or three months.

Grant Wilson, formerly a drug clerk at this place, has successfully passed the civil service examinations and has been appointed to the position of gauger. Mr. Wilson has been sent to Fresno for duty.

Mrs. S. I. Graham returned from San Francisco, Tuesday, after a short business trip to that place.

A. L. Henry was in Palo Alto Monday on a visit to relatives.

Ben Carroll is home from a trip of several days to San Francisco.

Mrs. G. O. Wilson is spending a couple of weeks as the guest of friends in Tracy.

F. Mathiesen was in San Francisco Monday on a short business trip.

Herbert Sellers of San Francisco came up Monday night and is spending a few days as the guest of friends in town.

Mrs. A. G. Beazell has been spending a few days in San Francisco with relatives.

Robert Armstrong is up from San Francisco on a visit to his father, John Armstrong.

GUILTY OF BEATING A NATIVE OF JAPAN.

Charles Morton and Remington Pettigrph were found guilty of battery in the Police Court. The complainant was a Japanese who refused to pay the defendants money for depositing a letter in the mail box and whom as a consequence, the accused beat.

TRUSTEES MEET AT HAYWARDS.

ORDER STREETS IMPROVED AND FIX TAX LEVY AT NINETY-TWO CENTS.

HAYWARDS, Oct. 8.—The Board of Town Trustees met on Monday evening at which time the regular business of the Board was transacted.

The first matter to come before the Trustees was the establishment of the tax levy, which after some discussion was left the same as last year ninety-two cents.

The condition of the town streets came up for a general overhauling by the Board and it was unanimously decided that they would have to be repaired at once. The Streets and Buildings Committee which had recently gone over all the streets and bridges within the town limits with the view of ascertaining their condition reported that something would have to be done before the opening of the winter months or a great deal of trouble would arise. The matter was thoroughly discussed by the members and it was finally ordered that the streets and bridges be put in good condition, and that the work be started within a short time. A rough estimate places the cost of the proposed street and bridge work at about $3,000. The report of the Committee showed so minutely the bad shape into which the streets and bridges had gotten that it was dangerous to the welfare of the town to allow the improvement work to be delayed.

No mention was made of the proposed oiling of the streets and for a while that proposition will rest, so far as the Board of Trustees is concerned.

Further than to allow a number of bills and transacting minor routine work, nothing of further importance came before the Trustees.

CLERKS AND EMPLOYERS MEET.

A short session of the Clerks and Employers' Association was held Monday evening at which time the names were received of the merchants who had kept their stores open on Sunday. There was also on hand a number of applications for membership made by employers of business establishments about town. With the addition of these merchants the club, will include nearly every business man and clerk in Haywards.

The important feature of the meeting, however, was the proposition of drawing up an agreement which will bind the signer by his name not to patronize any store that is kept open on Sunday in this place. These agreements, which are arranged in the form of a petition will be circulated about Haywards for the signature of every fair-minded citizen. On the inside of the petition will be pasted a slip of paper on which will be written the names of all the places of business in this town, the proprietors of which have refused to close their doors on Sunday. The agreement will be out in a few days and the members anticipate no difficulty in securing the signatures of every man and woman in Haywards, except, perhaps, those who have refused to close their stores.

The movement has the sympathy of nearly every resident of this district and it is now so generally known that the stores are closed on Sunday, that the ranchers from surrounding districts, who formerly did their buying on Sunday, now come to town on Saturday night. All the business men who have signed the agreement are perfectly content and declare that their extra Saturday night and Monday patronage makes up for that which they formerly had on Sunday.

The agreement signed by the business men is binding for only six months, but at the end of that time, the Association is confident that it will be continued for an indefinite time, so pleased will the business men have become with the arrangement.

HE FORFEITED HIS BAIL.

Charles Kretz, the East Oakland man who was arrested in Haywards Sunday on a charge of cruelty to animals has forfeited his bail because it was whispered to him that the judge contemplated fining him forty dollars.

Kretz came to Haywards Monday to answer the charge before Judge Prowse. Before going to the judge, however, he went about town visiting his friends. Some one told him that it was possible that he would be fined heavily and he took the hint and left town in haste. He had formerly deposited $20 bail, which he forfeited rather than face Judge Prowse.

When captured last Sunday by several young men who had seen him running the horse, Kretz fought with his captors and escaped. Later, however, he was located by Constable Pann, who found the man hiding behind a woodpile in the rear of J. Walpert's home.

Virginia Diehl.

528 Fourteenth street. Ladies' hairdressing parlors. Scalp and facial treatment. Hair goods, cosmetics, manicuring. Residence orders promptly filled.

George Weslar.

The optician has removed from Osgood's drug store to 857 Broadway (opposite the old stand), with the Oakland News Co., where his former patrons as well as new ones can find him.

Ministers, Lawyers, Teachers, and others whose occupation gives but little exercise, should use Carter's Little Liver Pills for torpid liver and biliousness. One is a dose. Try them.

MRS. IDA L. ROSER,

Grand-Niece of Ex-President James K. Polk, Writes to Mrs. Pinkham.

Thankful for Health Restored by Lydia E. Pinkham's Vegetable Compound.

Did you ever stop to realize what keen satisfaction one experiences when we find that some kind and helpful thing we have done for some one else has been sincerely appreciated! At such times, how truly we understand the expression "it is more blessed to give than to receive."

Think, therefore, of the pleasure and genuine satisfaction Mrs. Pinkham experiences when such letters come to her as the one from Mrs. Roser which we are herewith permitted to publish.

Think what it means to her; it means first, that one more lovely woman has been relieved from sickness and distress through her assistance; it means second, that this woman who is cured is so grateful that she wants other women in the land to know of it; and it means lastly that Mrs. Pinkham's claims for **Lydia E. Pinkham's Vegetable Compound** are fully substantiated by testimony of such high character that every woman who reads this must believe and hope.

To be appreciated is a great pleasure, but to bring peace and happiness to the suffering is heavenly. Such is the mission of Mrs. Pinkham, and such a letter as the following proves her success!

MRS. IDA L. ROSER, 326 E. 18th Ave., Denver, Col.
Grand-niece of ex-President James K. Polk, and Assistant Grand Secretary of Colorado, Wyoming, and New Mexico Independent Order of Good Templars.

"DEAR MRS. PINKHAM—I have been married for nearly two years, and so far have not been blessed with a child. I have, however, suffered with a complication of female troubles and painful menstruation, until very recently.

"The value of **Lydia E. Pinkham's Vegetable Compound** was called to my attention by an intimate friend, whose life had simply been a torture with inflammation and ulceration, and a few bottles of your Compound cured her; she can hardly believe it herself today, she enjoys such blessed health. I took four bottles of your Compound and consider myself cured. I am once more in fine health and spirits; my domestic and official duties all seem easy now, for I feel so strong I can do three times what I used to do. You have a host of friends in Denver, and among the best count, Yours very gratefully,—MRS. IDA L. ROSER, 326 18th Ave., Denver, Col."

When a medicine has been successful in restoring to health so many women whose testimony is so unquestionable, you cannot well say, without trying it, "I do not believe it will help me." If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

$5000 REWARD.—We have deposited with the National City Bank of Lynn, $5000, which will be paid to any person who can find that the above testimonial letter is not genuine, or was published before obtaining the writer's special permission. Lydia E. Pinkham Medicine Co., Lynn, Mass.

OAKLAND TRIBUNE
Tribune Publishing Company William E. Dargie, President

HANNA ON THE STRIKE.

Senator Hanna will not be accused of favoring revolutionary methods in dealing with property interests, nor will he be suspected of entertaining socialistic ideas in regard to the rights of property. On the contrary, he has been regarded as the especial champion of the business and property interests of the country. Hence when he says that legislation may be necessary to break the power of the coal combine, his statement carries an unusual significance. A few days ago Senator Hanna gave out this utterance in a published interview:

"These people do not know what sort of a volcano they are living over, I can tell them something they ought to know. Ninety per cent of the American people sympathize with the strikers and are against the operators in this fight. If the strikers need more money than organized labor can raise to carry on the battle the people at large are willing to subscribe. I know of business men who are willing to contribute large checks rather than see the men starved into submission. They believe it would be a disgrace to American manhood if Baer and his associates were able to win the victory through the brute force of capital held in stubborn hands.

"If this strike is still on when Congress meets, Baer and his friends will hear something drop. Four-fifths of all the men elected to the House this year will be pledged to take drastic action against the coal monopoly. There may be some difficulties in getting at the question, but the way will be found. The railway presidents who stand out and say they have nothing to arbitrate and no concessions to make are doing more harm to the Republican party and breeding more discontent and socialism than anything else that ever was known in this country."

If this had been said by some mere politician or a labor agitator, many people would have termed it revolutionary, incendiary even. But it is the deliberate utterance of one of the clearest-headed and most conservative men in the country. It is the expression of a thoughtful business man of vast influence and undoubted sagacity. His words convey a warning to the coal barons that they had better heed. There are limits beyond which the arrogance of monopoly must not go.

THE AFRICAN MOSES.

It would not be strange if the educational influence of one enlightened negro in the United States should prove a potent factor in teaching the natives of Africa the arts of civilized agriculture and industry. About two years ago the authorities in German East Africa employed five graduates of Booker T. Washington's Polytechnic Institute at Tuskeegee, Alabama, to teach the natives the practical methods of cultivating cotton. The experiment was eminently successful, so successful that the German government has made a requisition on Mr. Washington for more of his pupils to assist in the work of industrial education. In response to this second call, Mr. Washington has just sent out three other graduates to Africa. The German authorities reported to Mr. Washington that the results had been more than satisfactory, and that the experiment would be continued on a larger scale.

Here is a development worthy of study. Who knows but out of foreign bondage there may not come an educational impulse that may quicken the barbarism of Africa into civilization. It was in bondage among a people highly civilized for the time that the leadership and statesmanship of Moses, Aaron and Joshua were developed. The beacon that may light the gloom of darkest Africa may have been kindled in Alabama by the slave boy who worked his way through Hampton to become one of the most noted educators of his time.

CAMPAIGN SLANDERS.

The sensible voters will place little credence in campaign stories set afloat by interested parties about individual candidates. Stories calculated to injure the election chances of candidate seldom have any authoritative source, and are generally sprung when too late to be refuted and are circulated in a surreptitious manner that precludes tracing them up. Each campaign produces a crop of personal slanders having their origin in political rivalry or personal dislike, and while this campaign has thus far been unusually free from personal detraction, apocryphal stories about various candidates are making their appearance. They should be disregarded. The great majority of them can be put down as false on their face. Many of them are silly and some are plainly malicious. Stories intended to play upon race or religious prejudice are to be viewed with grave suspicion at all times, and in the late days of a campaign can safely be put down as mere inventions designed for political effect.

It is the easiest thing in the world to charge a candidate with saying something at some time derogatory to the nationality or religion of certain classes of voters and such charges are next to impossible to disprove. They are circulated in a whispered way that admits of no proof one way or another. Their object should be the seal of their own condemnation.

As a rule the men named for office by party organizations are good citizens who have the respect of their neighbors. Tales of their unworthiness which only appear after they become candidates for office have no claim to consideration, and without distinction as to party, THE TRIBUNE desires to state that it regards personal defamation as no more legitimate in decent politics than is the poisoning of wells in honorable warfare. If voters will only exercise ordinary common sense they will reject all campaign scandals as so much spurious coin circulated to impose upon the credulous.

FOR PUBLIC ADMINISTRATOR.

While the office of Public Administrator does not cut a large figure in the economy of the county government, it is nevertheless a most important one to the community. The Public Administrator is an officer selected especially to guard the estates of the dead, and to settle up the affairs of those who die intestate without leaving natural heirs on the ground to perform that duty. It is his duty to protect the rights of absent or unknown heirs, and to prevent the spoliation of estates through the forms of law.

As may be seen it is not only a necessary one, but is peculiarly high and honorable. Above all things the Public Administrator should be an honest man. He should be fearless and intelligent, for his duties require him to be both, as he must stand between estates and false heirs and false claims. His obligation to the dead requires him to protect the rights of the living.

A man of this honest, intelligent, courageous type is George Gray, who has been nominated for Public Administrator by the Republican party. Mr. Gray is one of the best citizens in the county—a plain, straightforward man, who has earned the respect and confidence of all who know him, and who was never known to fail in any duty committed to him to fulfill. Mr. Gray's integrity and fidelity can always be relied on. With him in the office, the people can rest assured that the duties of Public Administrator will be properly performed.

Mr. Gray has not heretofore figured as an aspirant for office. He has been content to pursue a life of useful industry, letting others seek the emoluments of office, and only became a candidate at this time because his friends recognized his thorough fitness for the office to which he aspires. Mr. Gray is the best type of the American workingman, a man who has worked himself up to a responsible position. For years he has been foreman of the great fruit farm of Meek Brothers near Haywards, and in that employ has shown himself worthy of every trust. His industry, loyalty and executive capacity have caused his employers to speak in the highest terms of him. They repose every confidence in George Gray, who is better liked the longer he is known.

If this is not just the kind of a man needed for Public Administrator it is difficult to imagine what more people want. He possesses every necessary qualification, and is strong in the attributes peculiarly desirable in this office.

THE MERCHANTS ARE RIGHT.

The Merchants' Exchange undoubtedly voiced the overwhelming popular sentiment in this city with respect to the franchise that is being asked for by the company that is seeking to make Oakland the terminus of another railroad system. That "Oakland is the natural terminus of all transcontinental railroads" is a fact determined by geography and topographical conditions, but it sometimes requires a little prescience to recognize the obvious. The Merchants' Exchange has grasped a fact of profound importance to this city, a fact that is being strongly impressed upon its citizens, and it expresses the welcome that the community is prepared to cordially extend to all legitimate railway enterprises. As we have welcomed railroads in the past, so we will welcome them in the future—the more the better.

The privileges extended to the railroads already having ingress and terminal facilities here will be extended on equal terms to other roads desirous of entering here.

That is the sense of this community and it is the position taken by the Merchants' Exchange, a body composed of active, responsible business men. We want this new road. It will be of great benefit to this city. It will enlarge the sphere of Oakland's commercial activities and vastly increase the importance of this port. It will give employment to a large number of men locally, besides opening up new trade routes.

In granting this railroad the right of ingress, we are consulting the highest interests of the city as well as standing by the wholesome rule of fair play. It is not proposed to take anything from the roads now terminating here or to curtail any of their privileges. The proposition is simply to treat all fairly; and in this instance fairness means the highest municipal wisdom. It speaks for the advancement and future greatness of this city.

A champion mean man has been found in Missouri. He bought his neighbor's wife for $2, and when she ran away from him sued the husband for a return of the money.

There are some small compensations for the coal strike. In Chicago they are burning the bill boards for fuel.

PERSONAL AND SOCIAL NOTES.

MEMBERS OF THE UPSILON DELTA CLUB GIVE A SURPRISE PARTY.

The members of the Upsilon Delta Club gave a surprise party Saturday in their club-rooms, 973 Fifth avenue, in honor of one of their members, Miss Sabin M. Dent.

The members spend a pleasant evening with music, games and dancing, after which refreshments were served.

Among the members present were: Misses U. Ainsworth, E. Thornton, E. Mills, V. Edgren, F. Edwards, L. La Grange, K. Kirk, B Collier, T. Dent, R. Kirk, L. Bassett, Mrs. E. Dent, Mrs. Collier, Messrs. V. Dent, H. Pierson, L. Woodside, E. Robinson, R. Bovee, L. Pape, E. Dent, C. Botsford, L. Thomas, H. F. Mills, E. E. Embury.

A PLEASANT PARTY.

Al. Du Frane and brothers entertained their friends at a pleasant gathering at their home on Eighteenth street Saturday evening. The guests were: Miss Hanna Knudsen, Miss Jennie Champreux, Miss Millie Champreux, Miss Ella Berquest, Miss Maybelle Berquest, Miss Lillie Du Frane, Miss Annie Rohl, Miss Lizzie Rohl, Miss Cora Peterson, Miss Lizzie Garrity, Miss Mary Ross, Miss Martha Winland, Miss Olive Gaunst, Mr. and Mrs. John Du Frane, Mrs. Alfred Wehe, Guy Pfister, William Hubbard, Herbert Knudsen, Jack Luhr, Frank Du Frane, Jack Murray, William Luhr, Jack Du Frane, Al. Du Frane.

The program of the evening was dancing and music, after which the guests were served with refreshments. A most enjoyable time was had by all who were fortunate enough to be present.

ENGAGEMENT ANNOUNCED.

Mr. and Mrs. George H. Hutchinson announce the engagement of their daughter, Miss Gertrude May, to Dr. Guy Brown, son of Mrs. Alice Brown of Golden Gate. The engagement has been known for some time among a few close friends, but the formal announcement has just been made. Miss Hutchinson is a graduate of the Oakland High School. Dr. Brown is a young dentist on this side of the bay and has always made his home with his mother at Golden Gate.

A VAUDEVILLE TEA.

Mrs. Allan Babcock gave a vaudeville tea in honor of Mrs. Albert Otis, Mrs. George Augu, and Miss Nannie Jones. Thirty guests were invited. The program was planned by the hostess. Among the numbers was a Japanese greeting, done by Master Tom Babcock, in costume, followed by a little speech by Master Maurice Augur. Next came a clever bit of acting, "The Jilted Old Maid," by Mrs. Newton Koser, in quaintest imaginable costuming. Mrs. James Allen followed with a "coon" song. Mrs. Babcock, the hostess, was the next performer, with an Irish character sketch, followed by "Mary Ann With the Toothache," both sketches in costume. Mrs. Newton Koser completed the program with a little song written by some of the guests, and sung to the time-worn tune of "Oh, My Darling Clementine," each verse carrying a bit on some of the guests. After the completion of the vaudeville, which took place in the drawing room on an improvised stage, tea was served.

PERSONAL.

Mrs. A. Faust of Los Angeles, Mrs. A. Lambert and Mrs. M. Gayety of San Francisco were visitors of Mrs. H. J. Mohr at Mt. Eden.

Mrs. Henry Abrahamson of 553 Oakland avenue is now completely settled in her new home, where she will be pleased to see her friends. She will be at home during the winter on the fourth Friday of each month.

Miss Belle Nicholson left today for a several months' visit to the East, going to St. Louis, where she will be the guest of relatives.

F. Cedley (removed to 1243 Broadway, opp. Postoffice) receives work daily at the Latest Parisian Cleaning and Dyeing Works. Dry cleaning a specialty. Telephone Main 175.

Favdee's Grand March. Latest and Prettiest, 25c.

COUPLE AGREE TO SEPARATE.

THE MORRISONS COMPROMISE THEIR DIFFERENCES IN JUDGE OGDEN'S COURT.

The differences existing between Mrs. Catherine Morrison, who is suing her husband, A. J. Morrison, formerly cashier of the Palace Hotel, on the three grounds of desertion, cruelty and fickleness, have been temporarily compromised. The attorneys of the respective parties have reached an agreement which was verbally accepted by the interested parties in Judge Ogden's court this morning.

By the terms of the agreement the wife will receive $40 per month alimony, and the use of the family home on Twenty-third avenue. She also will receive the custody of the two minor children, Etta and Louise Morrison. The couple will live separately.

Yesterday the case was on trial before Judge Ogden. The wife introduced testimony tending to substantiate the charges of desertion, cruelty and infidelity. While on the witness stand the wife said her husband had drugged her on two occasions, once to get her to bring a suit for $250,000 against her sister, Mrs. Elizabeth Rodgers, and the latter's husband, Arthur Rodgers, the University Regent, and on another occasion to obtain her commitment to the Napa Asylum for the Insane, from which institution she was released by habeas corpus proceedings. The husband denied these allegations, asserting that his wife was slightly demented on the subject of other women.

The entire matter was continued until tomorrow morning to permit the agreement to be signed.

REVENGE MOTIVE FOR ARSON

ATTEMPT TO BURN UNIVERSITY COTTAGE THOUGHT TO BE PROMPTED BY MALICE.

BERKELEY, Oct. 8.—Mystery still surrounds yesterday's attempt to burn the University cottage occupied by Night-watchman Boedditker. Outside of the vaguest suspicion, there is absolutely nothing which would indicate the name or purpose of the guilty party. President Wheeler proposes to investigate the matter, and the punishment of the guilty parties may be expected.

Mr. Boedditker himself could not be seen this morning, but his wife spoke very freely of the affair. She said: "No confession has been made and we have no means of knowing absolutely who the guilty party or parties are. Our suspicions are directed, however, against a person connected with the University, whom Mr. Boedditker has been forced a number of times to order, with his companions, off the University grounds. This person has repeatedly threatened to get even with my husband. There are other things which would tend to confirm us in the belief that he is the guilty party. I do not, however, care to discuss this phase of the matter further.

We have placed a guard on the house at night, and will keep the house locked during the day-time. We propose to protect ourselves against further attempts in this way. There will be no criminal prosecution. Mr. Boedditker will collect what evidence he can and submit it to President Wheeler. The President can act as he sees fit."

President Wheeler was inclined to scoff this morning at the theory that a student was the responsible party. "I think," he said, "that it was either a crazy person or a child. I will investigate the matter, however, and make an attempt to fix the blame upon the guilty party."

PIONEER SHIP MASTER DIES IN BERKELEY

BERKELEY, Oct. 8.—Carl Jansen, a pioneer ship master of California, died this morning from heart failure, at his late residence, 1262 Dwight way. The deceased was 57 years of age, and has lived for thirty-five years in California and sixteen years in Berkeley. He was a native of Finland.

The funeral will be held on Friday. Interment will be in Mountain View Cemetery.

Wednesday, Oct. 8th.

A Magnificent Display of Draperies and Room Furnishings

The Display — The Taft & Pennoyer store displays this week both in its Drapery Department and Broadway windows, a magnificent collection of wall and window hangings, couch and table coverings, cushions and various novel room furnishings.

Fire Etched Leather and Velour — The use of an applique of burned leather upon rich velours is a feature of the show. It is displayed in table covers, mats, centerpieces and cushion tops. Another unique autumn fad is that for pyro-etched velour. The electric pencil transfers with great clearness of outline and accuracy designs of every sort upon colored velour, which is then made into table and pillow tops and mats. The collection is very rich in these productions.

Oriental Importations — Directly imported from the Orient are Bagdad and Jejim couch covers, Bagdad cushions, outlandishly colored Lahore prints, Persian and Turkish draperies, and hand embroidered Chinese, Japanese and Turkish cushion tops.

Curtains — A decided French novelty is the Bonne Femme curtains, particularly effective for use in drawing rooms. New designs in Arabian, Marie Antoinette and Battenberg curtains are also on show.

Taft & Pennoyer
Broadway and Fourteenth.

ALAMEDA COUPLE SECRETLY WED.

PARENTAL BLESSING IS WITHHELD—HIGH SCHOOL STUDENTS IN TROUBLE.

ALAMEDA, Oct. 8.—Yesterday afternoon James D. Potts, son of Mr. and Mrs. James Potts of 2064 Alameda avenue, announced to his parents that he was a married man. At the same time Miss Mable Hill announced to her mother that she had been married to James Potts Jr. since June 18. The young couple, it appears, took a quiet trip to San Rafael last June, where they were united in marriage by Rev. Atkinson. The clandestine marriage never became public until announced by the young couple. The groom is 21 years of age, while the bride is about 17. The latter resides with her mother at 1537 Mozart street.

Mr. and Mrs. J. D. Potts will reside in San Francisco.

In speaking of the affair this morning, Mrs. Potts, the mother of the youthful groom, announced that she had heard of the marriage.

"I have heard of my son's marriage, but do not know his wife or any of her people. He, no doubt, had the right to marry when and whom he pleased, but he will have to support her, at least, as far as his father and myself are concerned."

Young Potts is employed in a shipyard in San Francisco.

HIGH SCHOOL PRODUCTION NOT SANCTIONED BY BOARD.

ALAMEDA, Oct. 8.—At last night's meeting of the Board of Education "A Crazy Idea," an entertainment advertised to be given as a benefit for the Athletic Association of the High School, was condemned by the Board, as it had not received a proper authorization. The Board will not sanction the pupils of the school having anything to do with the affair, as it is alleged that it was arranged by outside talent and the members of the High School connected with it have failed to conform with the rules of the Board of Education. Rule 160, which provides for such cases, is as follows: "No festival, exhibition, convention, excursion or picnic shall be held by any school unless authorized by the Board."

The proposed entertainment has been the cause of considerable trouble in the High School. The action of the Board may cause the presentation to be indefinitely postponed.

GERMAN RED MEN WILL GIVE GRAND BALL.

ALAMEDA, Oct. 8.—The German Red Men of the West End are arranging to give a grand ball Saturday evening, October 18th.

The affair is to be given at Enchat Hall, Bay station, and an interesting time is promised.

PRESBYTERIAN LADIES ARRANGE A RUMMAGE SALE.

ALAMEDA, Oct. 8.—The ladies of the Presbyterian Church are to hold a rummage sale at 511 Park street, from October 23th to October 31st.

CONVERSAZIONE CLUBS TO TALK ON EDUCATION.

ALAMEDA, Oct. 8.—The Conversazione will meet tomorrow night at the home of Mrs. U. S. Stedman. The discussion of the evening will be on "Education" and will be led by Miss Carrie J. Pratt.

WILL LECTURE ON HYPNOTISM BEFORE UNITARIAN CLUB.

ALAMEDA, Oct. 8.—On the evening of October 22d George W. Payne will lecture before the Unitarian Club on "Hypnotism." He will take subjects from his audience to exemplify his hypnotic power.

On the evening of November 5th Rev. Jacob Voorsanger, the eminent Jewish Rabbi, will address the club on Secretary Hay's note touching on the treatment of the Jews in Roumania.

Source of Mind Power, Prince Savay, Unitarian Church, Oct. 9.

IRRIGATION CONGRESS STILL IN SESSION

COLORADO SPRINGS, Colo., Oct. 8.—The all-absorbing topic among the delegates to the National Irrigation Congress today is the question of the proposed merger with the Trans-Mississippi Commercial Congress.

At this morning's session addresses on the great benefits which will accrue by irrigation were made by Congressmen Tawney, Stevens, Morris and Heatwole of Minnesota. The afternoon will be taken up with the addresses of State Engineers and Hydrographer Newell of Washington.

GRAND REPUBLICAN RALLY
AT THE
TABERNACLE
SATURDAY EVENING
OCTOBER 11TH
HON.
Chas. E. Littlefield
Of Maine
Will address the citizens of Oakland.
Judge John Ellsworth will preside.
By order of the Third District Congressional Committee.
W. G. HENSHAW, Chairman.
EVERETT J. BROWN, Secretary.

GREAT MEETING FOR LITTLEFIELD

ALVARADO RALLY CANCELLED—OLD VETERANS ORGANIZE—METCALF ILL.

Notices have been sent out by the Republican County Committee cancelling the meeting at Alvarado next Saturday night. This was done because a number of the citizens of Alvarado desired to hear Congressman Littlefield, the eloquent orator from Maine, speak, and for the additional reason that the county candidates also desire to see and hear the distinguished statesman from the Pine Tree State.

The preparations to give Mr. Littlefield a magnificent reception at the Tabernacle Saturday night are proceeding apace. All the members of the Quarter Century Club have been specially invited to attend in a body and will be given seats of honor near the speaker. Instead of publishing a list of honorary vice-presidents, as is usually done, postal card invitations have been sent out to a thousand or more well-known Republicans.

The arrangements indicate one of the largest and most enthusiastic meetings ever held in Oakland.

The Young Men's Republican League will turn out in a body to escort Mr. Littlefield and he will also be greeted by the members of the State of Maine Society.

OLD SOLDIERS OUT FOR REPUBLICAN SUCCESS.

The Battlefield Veterans of the Republican Army and Navy League will meet in the rooms of the Republican County Committee, 1056 Broadway, tomorrow night to organize for the campaign. The old veterans propose not only to line up for the Republican ticket, but to perfect an organization to work for Republican success. They propose to vote as they shot—straight.

MEETING WILL BE HELD AT ALLENDALE.

At Allendale tonight there will be a grand Republican rally, which will be attended by all the Republican county candidates. Allendale is a suburb above Fruitvale, and is the center of a thriving community, composed largely of Republicans. It is in Supervisor Talcott's bailiwick, and his friends out there are very numerous and very enthusiastic. Fireworks and campaign songs will enliven the proceedings this evening. The speech making will be confined to the local candidates.

CONGRESSMAN METCALF UNDER THE WEATHER.

Congressman Metcalf has not taken an active part in the campaign since his return to town, because of illness. He came back from the country in fine condition, but ate something which disagreed with him, and all this week has been having trouble with his stomach. He is getting in good shape now, however, and expects to be in the trim by Saturday night, when he will welcome Congressman Littlefield.

Notwithstanding this indisposition, Mr. Metcalf is compelled to give his attention to voluminous correspondence relating to the campaign in the several Congressional districts of the State. His news is very encouraging for the success of all the Republican nominees.

LANE-WHITE CLUB TO BE ORGANIZED.

On Saturday evening a meeting is to be held in Oakland for the formation of a Lane-White Central Club, to be for Franklin K. Lane for Governor and Calvin B. White for Congressman. F. B. Porter is projector of the proposed new political club.

NEW UNION LABOR CLUB.

Last night there was organized at its headquarters at Seventh street, between Myrtle and Filbert streets, another club in the Forty-eighth Assembly District, entitled the Neighbors' Club, and on the roll there are already 150 names. The following officers were elected: Charles W. Petry, president; W. O. Bowman, vice-president; John B. Gardella, secretary; M. L. King, treasurer. The Executive Committee is as follows: William Flett, H. D. Cahill, George Hoehn, George R. Guppy, C. B. Story and George Davis. The meeting was addressed by Charles L. Pierce, their nominee for State Senator, Sixtieth District, and Edward E. Gehring for the Assembly, Forty-eighth District. The club will meet weekly on Tuesday evenings.

The Forty-eighth Assembly District Club of the Union Labor party will hold a special meeting at its headquarters in Becker's Hall, Thursday evening, October 9th. The following speakers will be present: Hugh S. Aldrich, A. W. Atherton and Mr. Railton, also the candidates.

EXAMINATIONS FOR THE CIVIL SERVICE.

The United States Civil Service Commission has ordered that an examination be held by its local board, in this city, on Saturday, November 22, 1902. Only citizens of the United States can be examined. The age limitation for this examination is from 18 to 40 years. No applications will be accepted for this examination unless filed with the undersigned on the proper blank before the hour of closing business on October 29. Applications should be filed promptly in order that time may remain for correction if necessary. For application blanks, full instructions and information relative to the duties and salaries of the different positions apply to E. J. PENNON, Secretary Board of Examiners.

SMITH AND WHYTE.

Are Again in Their Former Quarters at Washington and Ninth Streets.

The popular grocery firm of Smith & Whyte have returned to their store at the northwest corner of Ninth and Washington streets, which they were compelled to vacate a few months ago, on account of fire, having in the meantime been temporarily located at Washington and Eighth streets. M. C. Smith and M. C. Whyte, the gentlemen comprising this firm, are both practical men in their line of business and they intend to cater to those desiring good groceries at the lowest possible prices. They will carry in stock a full line of Heinze's goods and also fancy groceries, fine cream syrups, in fact, dependable goods in all respects.

They deliver free to all parts of the city, also in Fruitvale, Berkeley and Alameda.

BEACHMONT DOGS DRINK THERE.

Every dog in Beachmont has an intimate acquaintance with E. F. Gouillard, and his daily visitors number scores. In his little shop on Winthrop avenue is a never-failing fountain of pure and clean water, which is maintained as a popular canine watering trough, at which any and all dogs are welcome to a cooling drink, without money and without price.

By what subtle wireless system of communication the news of the existence of Mr. Gouillard's fountain reached the ears of the last dog in Beachmont is not explained. But certain it is every pug and poodle and bull and whatnot for miles around has an intimate acquaintance with the whereabouts of the little jardiniere that is filled many times a day with clean and cold water.

There is a steady procession of dogs of high and low degree in and out of the little shop from morning until night. Every dog has his day, and some dogs every day. And whatever nuisance there is connected with the abundance of canine topers is obliterated in the mind of the proprietor of the little shop by the contemplation of the satisfied wags of many tails.—Boston Herald.

LIVES OF PUPILS ARE ENDANGERED

NEW BERKELEY HIGH SCHOOL BUILDING ABSOLUTELY WITHOUT FIRE PROTECTION.

BERKELEY, Oct. 8.—At a meeting of the Board of Education held last night, Fire Chief James Kenny in his report stated that at present the High School is absolutely without fire protection, and that the lives of the pupils are constantly in grave danger from the condition of the school. He further stated that by the expenditure of an insignificant sum for reels and hose, the Board could provide a sufficient protection.

The chief danger to the pupils of the schools is at 9 o'clock in the morning, when the school assembles in the large auditorium and there sing. The danger at the time was pointed out by Fire Chief Kenny this morning. "The school," he said, "is absolutely without fire protection. The pupils are old enough and large enough to form a fire department for the school. There is, however, no apparatus with which they can work. If a panic should occur at 9 o'clock in the morning when the pupils are crowded together in the Assembly Hall, all would be killed. There is no provision, whatever for emergencies."

The Board referred the matter to the proper committee, and suitable apparatus will soon be provided.

The resignation of Miss Mary McCleave was accepted and Miss Helen Martin was elected to the vacancy. Miss Agnes M. Hawley was placed upon the substitute list. Miss Eleanor M. Smith was granted a leave of absence till the end of the year. Superintendent Waterman was authorized to fill the vacancy by appointing a substitute.

The sum of $240 was appropriated to make lawns around the High School grounds.

THE GIRL I LEFT BEHIND ME.

(This old song is thought to be of Irish origin. It was written when there were camps along the coast of England, and was long known as "Brighton Camp.")

I'm lonesome since I crossed the hill,
And o'er the moor and valley.
Such heavy thoughts my heart do fill,
Since parting with my Sally.
I seek no more the fine and gay,
For each does but remind me
How swift the hours did pass away
With the girl I've left behind me.

Oh, ne'er shall I forget the night,
The stars were bright above me,
And gently lent their silvery light,
When first she vowed she loved me.
But now I'm bound to Brighton camp,
Kind heaven, may favor find me,
And send me safely back again
To the girl I've left behind me.

The bee shall honey taste no more,
The dove become a ranger,
The dashing waves shall cease to roar,
Ere she's to me a stranger;
The vows we've registered above
Shall ever cheer and bind me
In constancy to her I love,
The girl I've left behind me.

My mind her form shall still retain,
In sleeping or in waking,
Until I see my love again,
For her my heart is breaking.
If ever I should see the day,
When Mars shall have resigned me,
For evermore I'll gladly stay
With the girl I've left behind me.

Perfect fit, man-tailored finish and workmanship throughout.

$35.00 worth of satisfaction for $25.00

Columbia Cloak and Suit House
459 Thirteenth Street

KNOCKED FROM OIL TANK.

TWO MEN INJURED WHILE AT WORK NEAR FRUITVALE.

FRUITVALE, Oct. 8.—John Jordan and M. Phillips, who have been employed in the work of constructing the immense oil tanks at Melrose were recently knocked from a staging that surrounds one of the tanks and sustained serious injuries. The accident was caused by the falling of a heavy derrick, which struck the staging and threw the two men violently to the ground, a drop of twenty feet. Jordan sustained a dislocated ankle and broken leg, while Philipps was injured internally. Both men were taken to Fabiola Hospital in Oakland, and it is reported that they are doing well.

The accident which resulted in the injury of the man was unavoidable and was not due to the carelessness of any of the employes.

ARRANGING FOR BAZAR.

The women of the Fruitvale Guild met Monday at the Congregational Chapel, at which time they discussed plans and made preparations for the bazar to be given by the Guild during the latter part of November. The meeting was well attended and following the transactions of business, tea and cake was served.

MISS MCORD IS BETTER.

Miss Laura McCord, who had been ill for several days, is now greatly improved and is able to resume her duties at Warren's Drug Store.

UNCLAIMED LETTERS.

Following is the list of unclaimed letters in the local postoffice: Miss Sarah Bolton, Mrs. C. M. Buck, Miss A. Kenfield, Mrs. B. Neilson, Mrs. S. D. Vinsen, J. E. Burton, George C. Gilmore, George H. Lee, J. Sandegrew.

EBELL LADIES TRYING TO COMPLETE WORK.

The Children's Library Committee of Ebell has succeeded in raising to date four of the five thousand dollars needed to finish and furnish the children's room in the new public library. This amount has been raised by entertainments, from Ebell members and from a number of citizens interested in the children's department of the public library.

The work on this room has been brought to a standstill, the committee in charge finding it advisable to wait until the balance of the amount—five thousand dollars—has been raised before letting any more contracts. An appeal is now being made to the residents of Oakland to make whatever subscriptions any one feels he can afford, and it is hoped to raise this balance of one thousand dollars before the 15th inst., and at that time let the final contracts for the room, and thus bring to a finish as soon as possible this good work undertaken by the ladies of Ebell.

Your Umbrella

Where is it? You'll need it in a few days. Don't wait till you do. We are ahead of the rain as usual, and we want you to be. It's wise to prepare for a rainy day.

SAN LEANDRO TRUSTEES MEET

TALK ABOUT OBNOXIOUS BICYCLE ORDINANCE AND FIX TAX LEVY.

SAN LEANDRO, Oct. 8.—The obnoxious bicycle ordinance, drawn up some time ago by the San Leandro Trustees, but as yet not passed upon by them, was again the subject of considerable discussion at Monday night's meeting of the Board. In fact the matter has become of so much interest in San Leandro that a member of the clergy has taken a hand in it. Rev. Anderson of the Presbyterian Church came before the Trustees at their meeting Monday night and talked for a few moments on the proposed bicycle ordinance. He said that he believed that a number of people had signed the petition against the passage of the ordinance without having given the matter proper consideration. He was of the opinion that certain practices of a number of the bicycle riders that frequent San Leandro on Sundays should be stopped. The Trustees also discussed the ordinance, but deferred action on the question until a thorough investigation of both sides of the question could be made. Two petitions are on hand, which the Board must consider. One requests that the ordinance as arranged be passed, while the other requests that racing be allowed in San Leandro as in the past, and which the new ordinance, if passed, will abolish. The matter will probably be settled at the next meeting of the Board.

Dr. Tormey, Secretary of the Board of Health, reported to the Trustees that an attempt was being made to secure another dumping ground for the town's refuse. After some discussion the Board appointed Trustees Lynch and Quinn a committee to assist the Board of Health in its work.

The question of the ownership of the fire plugs about town, which has been troubling the Trustees for some time, was reported upon by Trustee Barbiero, who had been appointed to investigate the matter. He stated that he had made a thorough search of the records and could find no account of whether the plugs belonged to the Town or to the Water Company. He was of the opinion, however, that they were the property of the company, and upon his suggestion the Clerk was instructed to communicate the result of the investigation to the Water Company and request them to repair the hydrant which is out of order.

In regard to placing an electric light in the center of the plaza, Trustee Hopper reported that he had spoken with representatives of the Suburban Electric Light Company and that Mr. Clark of that company would explain to them the cost of putting in the light. Figuring on both a cluster and are light, Mr. Clark stated that the are would be cheaper and he would advise its use in preference to the cluster. After some discussion the matter went over until the next meeting, as the Board was undecided as to what action to pursue.

Town Attorney Frank stated to the Board that he had communicated with the Oakland Transit Company in regard to high rate of speed at which the cars of that company were being operated through this place. The company has been informed that the speed of the cars must conform with the local ordinance which sets the limit at eight miles an hour. So far no reply has been received from the company.

An ordinance fixing the tax levy at eighty cents was read and referred to the Ordinance Committee.

A communication was read from a number of San Francisco citizens asking the co-operation of the Board in the matter of defeating the proposed Constitutional Amendment No. 28. A committee consisting of William Beazley, D. McCarthy, S. Huff, B. D. Gray and C. R. Jones, was appointed to act for the Board in the matter.

THEY HAVE RETURNED.

Mr. and Mrs. William Morgan have returned from their honeymoon and will make their home on San Lorenzo avenue in this place.

OAKLAND VISITORS.

J. Woods of Oakland was visiting with his sister, Mrs. C. R. Gibbons last Sunday.

SAN FRANCISCO VISITORS.

Miss M. Reardon, Mr. M. Fitzgerald, and Miss Florence Inskip of San Francisco were recent visitors at the Marfante home in this place.

VISITING HER SISTER.

Miss Margaret Winn of Oakland is visiting at the home of her sister, Mrs. T. B. Morgan.

OAKLAND TRANSIT LEASES BUILDING.

A lease was placed on record today between the Oakland Transit Consolidated and John C. Klien, granting the last mentioned the exclusive use of the entire lower floor of the new office building of the company which is being erected. The lease is to run eight years at a monthly rental of $200. The entire amount called for by the lease is $17,400.

LECTURE ON THE SCIENCE.

PROFESSOR M'CHESNEY AND F. J. FLUNO SPEAK BEFORE A LARGE AUDIENCE.

Every seat of the large auditorium of the First Church of Christian Scientists was occupied last night. Chairs filled every available space and people even sat in the organ loft. The occasion was a lecture by F. J. Fluno, M. D., C. S. D, on the subject of "Christian Science a Reasonable and Rational View of All Things." Professor McChesney, former principal of the Oakland High School, introduced the speaker in the following words:

"I presume that every one present will concede that as the centuries have passed there has been a gradual change in human thought from a mere material view of the world to one partaking more or less of the spiritual. I say a gradual change and I may also say that at times the change was so slight that it was well night imperceptible. There have been times when there seems to have been a retrograde movement. The careful reader of history, however, must recognize the fact that there has been a constant uplift of human thought from the material to the spiritual. Were this not so, Christianity has not fulfilled its mission and will have much to answer for. Nearly 2000 years ago Christ appeared and by his words and deeds gave a wonderful impetus to a spiritual growth among his followers, and so of others who listened to their teachings. But materialism and spirituality are so diametrically opposed to each other, and human thought is so inclined to work along the lines of least resistance, that a mere material view is difficult to overcome. This fact has been fully recognized during the Christian era, and we see that numberless expedients have been resorted to in order that the spiritual side of man might have a more satisfactory growth. Asceticism in various forms has been practiced, the idea being that by mortifying the flesh the spiritual sense would be quickened; men and women have shut themselves away from a wicked world, hoping and trusting that in the seclusion of a monastic life they would catch glimpses of beautific visions which were denied to ordinary mortals: by these and other expedients, which I cannot dwell upon at this time, men have sought to save themselves from sin and thus prepare themselves for a place after life's fitful dream had passed, where all would be joy and peace. Theories were promulgated: some beautiful, but evanescent; some ingenious, but impractical: others learned or dogmatic, but all failed to a large extent in presenting truth, so that it might be a working, living principle, equally adapted to the ignorant and the learned. Men saw away in the distance a faint light, but they were unable, however much they mortified the flesh or however skilled in dialectics they might become, to approach it sufficiently near to bask in its vivifying beams. Let me not be understood as affirming that the numberless sects which have arisen during the centuries have not been productive of good. On the contrary, I think they have been of great value in leading to a higher standard of thinking and living. Their very existence is evidence of the longing of the human soul for a truth which satisfies and is equal to all emergencies, and thus it has happened that even imperfect and unsatisfactory religious beliefs and practices have had their value in raising mankind to a more perfect understanding of God and of themselves as related to Him.

"During the last quarter of a century a new candidate has arisen for the consideration of those who seek a higher spiritual life. It has spread with such remarkable force and rapidity throughout the Christian nations that it merits our serious attention and study. If I may be permitted a personal remark I would say that while I am not a Christian Scientist, still from my limited observation of its influence over the lives and conduct of its followers, and my imperfect understanding of the principle on which its teachings are based, I consider Christian Science worthy the investigation of all who believe in a higher spiritual life and would like to enjoy the consolations its affords. If the sick are healed, if men are made to love justice and truth, if they are imbued with that love for God and man which surpasseth understanding, then Christian Science cannot be from the devil, but must have its source and origin in the fountain of God. If the fruit is love, the tree must draw its nourishment from a like quality.

"This meeting has been arranged for the purpose of extending the knowledge of those who are somewhat familiar with the principles of Christian Science and have a desire for more: also that those who have given the subject little or no thought may receive an inkling at least of what it stands for as compared with the other religious denominations of the day. The speaker of the evening is a member of the Board of Lectureship and thus has had ample opportunity of familiarizing himself with the fundamental principles of Christian Science. I take pleasure in introducing F. J. Fluno."

Dr. Fluno in substance said: "'Come now, and let us reason together, saith the Lord; though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool.' Here is an invitation to reason together with the Most High God. To spend an hour in conversation with the Spirit of Intelligence and Wisdom. The One who is never away from home, who is never absent, who is always present and everywhere present. The One who is never away from home, who is never absent, who is always present and everywhere present. The One who is never away, is never pre-occupied. Did you ever think of God as the everywhere present Mind? Did you ever think of God in something like the same way that you might think of the principle of mathematics? That, although there are any number of different people, and in any number of different places, all calling upon it at the same time, and each one with a different problem, that it can attend to all at the same time, and to each one as though he or she were the only one? Did you ever think of God in the same way as the everywhere Spirit of Truth and Life and Love and Intelligence and Wisdom that is always ready to receive any number of different people in any number of different places and with any number of different petitions, and would deal with all at the same time, and with each one as though he or she were the only one? Did you ever take your petition to God, the Spirit of Love, in the same way, and with the same persistency and earnestness that you would take a problem in mathematics to its principle? Physical science is based wholly and entirely upon the sense testimony, while Christian Science has its foundation in the Most High God. It is therefore conclusive and final: the Science of God and man. And Christian Science is not therefore physical science. The little children in our Sunday school in Oakland are giving testimonies every Sunday of demonstrations over sickness and suffing.

"Surely, 'a little child shall lead them.' Christian Science does not come with anything but the greatest blessing and the highest good. It comes in the name of Christ with healing on its wings. It brings comfort to the mourner, and solace to the bereft; it is bread for the poor and supply for the needy; it is a husband to the widow and a father to the fatherless. Christian Science is not another religious belief; it never embarked a statement upon the frail hypothesis of belief. Christian Science comes to rob the world of no good thing that the world has ever known, but educates into a higher and better good than the world has ever known; it does not teach men to become law-breakers, but law-abiding citizens. One statement that is made against Christian Science is that it is only a fad, a mushroom theory. But Christian Science, far from being a 'snowflake on the river,' is planted on the rock—Christ, and will stand forever. Hundreds and thousands of desolate homes have been made cheery, bright and happy, just by looking into Christian Science. Christian Science has no elements of destruction in its nature. It does not come to tear down, but to build up. God did not make sickness. Did you notice that when He made man, He just made good, plain, 'common sense man?' He put no paraphernalia of cancer, consumption, rheumatism and neuralgia upon him. He neither made sickness nor medicine to heal it. His creation had no use for either one. And Christian Science is here, and is doing its work; and will continue until its work is done. Yes, woman brought Christian Science; and it is the power of God unto salvation to all them that understand. If this is woman's day, then who shall stop it? Who will dare come forward and say it shall not be? As for myself, I will say, (if I can do no good), let me at least not lay one straw in the way of the onward march of truth.

"Yes, Christian Science is in our midst, and is destined to revolutionize the world, physically, scientifically, religiously and spiritually. Yet you need not be afraid; it will not do it all this year; it will take centuries to accomplish its mighty work. So no one need be afraid their craft will be injured. Christian Science comes not to hurt, but to heal. It comes with no elements of destruction in its nature. It heals insanity, but never causes it. As time goes on, and Christian Science advances, and has gained its standard in the world, and it is seen what a wonderful deliverer has come to mankind, the name of Mary Baker G. Eddy will stand out like a star of the greatest magnitude, and she will be honored and renowned as the greatest philanthropist and the greatest deliverer the world has ever known, save Him who, heralded by the heavenly hosts, brought 'peace on earth and good will to men.'"

N. S. WARREN PASSES AWAY AT HIS HOME.

N. S. Warren, who, since 1858, has resided on this coast, died yesterday in this city, whither he came a few months ago, believing a change of climate would be beneficial. A number of years ago he resided in this city, but left here to go to Bodie during the excitement in that district. After leaving Bodie he located in Seattle, where he had been engaged in business up to a short time ago. The deceased was born and raised in Maine, where his father, Nahum Warren, was quite prominent in legislative affairs during his lifetime. He leaves beside a brother, E. H. Warren, who resides in this city, a brother and sister, whose homes are in the New England States.

TWO SUITS AGAINST THE DUNSMUIR ESTATE.

The Scott Stamp and Coin Company today filed suit against the estate of the late Josephine Dunsmuir, mother of the actress, Edna Wallace Hopper, for $1,482.33, alleged to be due for stamps.

Another suit was brought also against the estate by George Berry & Son, book dealers, for $9,663.75, alleged to be due for books, furnished the deceased during her life time.

STRANGER THAN FICTION.

A Remedy Which Has Revolutionized the Treatment of Stomach Troubles.

The remedy is not heralded as a wonderful discovery nor yet a secret patent medicine, neither is it claimed to cure anything except dyspepsia, indigestion and stomach troubles with which nine out of ten suffer.

The remedy is in the form of pleasant tasting tablets or lozengers, containing vegetable and fruit essences, pure aseptic pepsin (government test), golden seal and diastase. The tablets are sold by druggists under the name of Stuart's Dyspepsia Tablets. Many interesting experiments to test the digestive power of Stuart's tablets show that one grain of the active principle contained in them is sufficient to thoroughly digest 3,000 grains of raw meat, eggs and other wholesome food.

Stuart's Tablets do not act upon the bowels like after dinner pills and cheap cathartics, which simply irritate and inflame the intestines without having any effect whatever in digesting food or curing indigestion.

If the stomach can be rested and assisted in the work of digestion it will very soon recover its normal vigor, as no organ is so much abused and overworked as the stomach.

This is the secret, if there is any secret, of the remarkable success of Stuart's Dyspepsia Tablets, a remedy practically unknown a few years ago and now the most widely known of any treatment for stomach weakness.

This success has been secured entirely upon its merits as a digestive pure and simple because there can be no stomach trouble if the food is promptly digested.

Stuart's Dyspepsia Tablets act entirely on the food eaten, digesting it completely, so that it can be assimilated into blood, nerve and tissue. They cure dyspesia, water brash, sour stomach, gas and bloating after meals, because they furnish the digestive power which weak stomachs lack and unless that lack is supplied it is useless to attempt to cure by the use of "tonics," "pills" and cathartics which have absolutely no digestive power.

Stuart's Dyspepsia Tablets can be found at all drug stores and the regular use of one or two of them after meals, will demonstrate their merit better than any other argument.

PREPARING FOR THE ELECTION.

BOARD OF SUPERVISORS FIX THE PRICES TO BE PAID FOR SUPPLIES.

At the meeting of the Board of Supervisors this morning the following resolution, introduced by Supervisor Rowe, was adopted:

"Resolved, That Dr. G. F. Chalmers be, and is hereby, appointed Health Officer of the County of Alameda for the term of one year in accordance with the provisions of subdivision twenty, section twenty-five of the County Government Act; be it further

"Resolved, That the compensation of said Chalmers be, and it is hereby fixed at the sum of $50 per month in full for services he may render as such officer, said sum to be payable out of the General Fund of the County of Alameda."

Final arrangements for the coming election were made by the Board of Supervisors this morning, Supervisor Talcott alone being absent.

Resolutions were adopted directing the publication of the Governor's proclamation in the Alameda Argus and of the county election proclamation in the Oakland TRIBUNE.

The printing committee of the Board was authorized to have the work done. Sample ballots were also ordered to be printed.

The compensation for putting up the booths was fixed at the same rate as two years ago, namely $6 a day for double teams and drivers engaged in the work, $4 per day for single team and driver, and $4 per day for the carpenter to accompany each team.

BOARD OF WORKS TRANSACTS BUSINESS

ROUTINE MATTERS ARE HANDLED AT THE MEETING THIS MORNING.

A regular session of the Board of Public Works was held this morning with President Johnson, Commissioners Barstow and Turner present. The following routine business was transacted:

"Resolved, That the following Council resolutions be and are hereby referred to the Superintendent of Streets with power to act thereunder, to wit:

"27,697—Authorizing and directing the Board of Public Works to replace the old wooden box sewer in Fourteenth avenue or Commerce street, with a concrete sewer from a point 100 feet north of East Twelfth street, to a point 150 feet north of said line at a cost not to exceed $499.

"27,698—Directing the Board of Public Works to construct a box culvert, 3x4 feet, in the sidewalk one foot East of the eastern curb line of Adeline street from a point 375 feet north of Temescal creek to a point 750 feet north of said creek at a cost not to exceed $499.

"27,699—Authorizing the Board of Public Works to direct the Superintendent of Streets to repair and renew the sidewalk on the south side of Forty-fifth street, between Telegraph avenue and the Old Ladies' Home.

"27,715—Authorizing the Board of Public Works to direct the Superintendent of Streets to employ from time to time the necessary labor, including horses and carts, to clean the gutters and streets of the city until the sum of $12,000 has been expended for said purpose.

"27,716—Authorizing the Board of Public Works to direct the Superintendent of Streets to purchase upon requisitions from time to time, broken rock for the repair of the streets of the city at an aggregate cost not to exceed $1,000.

"27,717—Authorizing and directing the Board of Public Works to have the windmill and tanks on the boulevard repaired and reconstructed at a cost not to exceed $250.00.

"27,718—Authorizing the Board of Public Works to direct the Superintendent of Streets to employ the necessary labor, including horses and carts, to repair the streets of the city until the sum of $10,000 has been expended for said purpose.

"27,719—Authorizing the Board of Public Works to direct the Superintendent of Streets to repair sewers at a cost not to exceed $500.00.

"27,720—Authorizing the Board of Public Works to direct the Superintendent of Streets to purchase upon requisitions from time to time the necessary sewer pipe for general purposes in reconstructing sewers at an aggregate cost not to exceed $800.00.

"27,721—Authorizing the Board of Public Works to direct the Superintendent of Streets to replar from time time, for cleaning and repairing sewers, the necessary labor, until the sum of $1,000 has been expended for said purpose.

"27,722—Authorizing the Board of Public Works to direct the Superintendent of Streets to hire from time to time, the necessary labor, including horses and carts, for general purposes, upon the streets until the sum of $500.00 has been expended for said purpose.

"27,723—Authorizing the Board of Public Works to direct the Superintendent of Streets to repair from time to time, the bituminous streets of the city, at a cost not to exceed $1,000.00.

"27,724—Authorizing the Board of Public Works to direct the Superintendent of Streets to purchase upon requisitions from time to time, the necessary lumber for repairing crosswalks, bridges, culverts, etc., at an aggregate cost not to exceed $4,000.00.

"27,725—Authorizing the Board of Public Works to direct the Superintendent of Streets to employ the necessary labor from time to time, for the construction of cross-walks, culverts, etc., until the sum of $4,000 has been expended for the hire of said labor.

"27,726—Authorizing the Board of Public Works to direct the Superintendent of Streets to employ the necessary number of street sprinklers and distribute the water upon said streets, at a cost not to exceed $45,000 for water and hire of street sprinklers.

"Resolved, That the following Council resolutions be and are hereby referred to the City Attorney with power to act thereunder.

"No. 27,700—Authorizing and directing the Board of Public Works to purchase from the legal holder a right of way through the south part of a subdivision of the Watts Tract, for a sewer at a cost not to exceed $300.00.

"No. 27,701—Authorizing and directing the Board of Public Works to purchase from the legal owner, a right of way through the south part of a subdivision of the Watts Tract, for the laying of a sewer, at a cost not to exceed $499.00.

"No. 27,702—Authorizing and directing the Board of Public Works to procure searches of title to sub-division 'A' of lot 4, block 803, and of sub-division 'A,' lot 7, block 803, both of the Watts Tract, Oakland, and to have deeds of the right of way for a sewer across said lots, recorded and appropriating $25.00 therefor."

After allowing the demands and requisitions, the Board adjourned.

HARDY RESIGNS AS PRESIDENT

LIBRARY TRUSTEES ELECT MURRAY LAIDLAW TO FILL THE VACANCY.

With all of the members present the Oakland Free Library Trustees held a meeting last night, at which Lowell J. Hardy resigned as president of the Board and Murray Laidlaw was elected to fill the vacancy. This action does not come as a surprise, as it has been known for several weeks that such would probably be the action of the Trustees.

As soon as the Trustees were called to order last night President Hardy's resignation was read and accepted. Mr. Hardy then placed in nomination the name of Murray Laidlaw. The nominations were closed and Mr. Laidlaw was unanimously elected as president.

Mr. Laidlaw has previously held the office of secretary. George S. Evans was chosen to act as secretary.

The following resolution was passed:

"Resolved, That on and after Monday, October 14, the delivery-room be kept open from 9 a. m. to 9 p. m.; and it is further

"Resolved, That the substitute employed for the extra time contemplated in this resolution be allowed the same rate for extra hours as they are now allowed per hour."

Resolutions were passed instructing the Librarian to receive bids for four hitching posts to be placed in front of the library and bids for painting the fence in the rear of the building.

DEATH SUMMONS MRS. BONNIFIELD HILL.

Mrs. Margaret K. Bonnifield Hill, wife of Joseph S. Hill, who died on Monday evening at her home, 2121 Hearst avenue, Berkeley, came of a distinguished judicial family. She was the second daughter of the aged Samuel J. Bonnifield, Sr., late of Nevada, but at one time a resident of Oakland. Her mother died many years since at Yreka, this State. Her eldest brother is an ex-District Judge of Humboldt county, Nevada, and a noted attorney of that State.

Another brother, Samuel J. Bonnifield, Jr., is the present District Judge of the Nevada Fifth Judicial District. An uncle, Hon. M. S. Bonnifield, an ex-State Senator and an ex-Justice of the Nevada Supreme Court, is a famous attorney, well known in the courts of the Pacific Coast States and at Washington City, D. C. An elder sister is Mrs. John W. McWilliams of 563 Hayes street, San Francisco.

Mrs. Hill's health has been steadily failing since the death of her only daughter, Ethel V., a student at the State University, from heart disease, something over a year since. Mr. Hill's lately acquired wealth had placed his wife in a position where her future seemed all that could be desired. Two sons, Sidney B., late a student at the State University, now of Nevada, and Starr W., a student in the Berkeley High School, and an infant grand-son, survive her.

Mrs. Hill, although of retiring disposition, was of stately presence and greatly admired among her more intimate associates, by whom she will be greatly missed.

THE CHATTANOOGA ADVERTISING.

The Chattanooga Medicine Company with laboratories and general offices at Chattanooga, Tennessee, and branch houses at St. Louis, Missouri, and San Francisco, Cal., has become one of the largest proprietary medicine concerns in the world. In the growth of this great business two factors have been dominant: The merit of its products—Wine of Cardui and Thedford's Black-Draught—has been widely recognized and the original advertising methods adopted have excited great comment. The publicity for these medicines does not consist of the catch phrase and extravagant statement, too often employed in advertising today, but instead the plain story of experience with the medicines given in the plain language of the people themselves. The following letter is a fair sample of the thousands of Wine of Cardui testimonials published during the past twenty years:

2908 Eastern Avenue,
Cincinnati, Ohio, May 20, 1902.

I consider Wine of Cardui a most excellent woman's remedy. It is certainly a specific as a tonic and regulator. For eight years I suffered with female trouble. I had intense pain in the back and head, leaving me so weak that I was unable to stand at times. Medicine did not seem to help me, but after all remedies had failed me Wine of Cardui proved my one great, true friend. What a relief I experienced! It came only a few days after I started taking it. I used it faithfully for four months and gradually grew stronger and better. I am now regular to the day and for the past two years have enjoyed blessed good health. I certainly wish every sick and suffering woman could know of your blessed medicine, how much pain and suffering it would prevent, and what a difference it would make in thousands of homes where there is sickness and sorrow today. If they had Wine of Cardui it would bring relief and joy instead.

MARGARET GREENMYRE.

LECTURE AT THE Y. M. C. A.

President David Starr Jordan of Stanford University will address the young men in the Association Hall Sunday afternoon at 3:15. Subject, "What the Twentieth Century Asks of Young Men." Admission tickets free at office. Tickets for the star course entertainment are now on sale at the office. The prospect for a large sale is very promising.

For Over Fifty Years.

Mrs. Winslow's Soothing Syrup has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. Twenty-five cents.

ABRAHAMSONS

Building a House?

If you are building a house you are the one to say what style of finishing hardware or chandeliers should be used.

Exercise this privilege, call on us and let us help you. You will find our suggestions and advice practical and valuable. Our stock is new and is sold at prices consistent with the quality of the goods—in other words—the prices are right.

We also make a specialty of constructing gas and electric fixtures to order to match other hardware about the house.

Whether you are going to build a cottage or a mansion we would like to figure with you just the same.

Ingram Hardware Co
Successors to E. R. TUTT.
511-513 Thirteenth St. OAKLAND.

EXCURSIONS TO THE EAST.

Those contemplating an Eastern trip will be interested to know that the Rio Grande System is operating via The Scenic Line of the World daily excursion cars through from the Pacific Coast without change to Denver, Kansas City, Omaha, Chicago, St. Louis, New York, Boston and intermediate points.

These are the Pullman Ordinary or Tourist sleepers, provided with comfortable berths, bedding and linen of the Pullman standard. They have separate lavatories, are well lighted and heated, and in fact only differ from the more expensive "standard" cars in the character of the upholstery and inside finishing.

Besides the colored porter, an Excursion Manager accompanies the cars for the sole purpose of looking after the welfare and comfort of his party.

There is no charge beyond the regular railroad and sleeping car rates to those who accompany these excursions.

If you are interested, let us quote you the lowest rates and give you more details, and also furnish you with illustrated books descriptive of the grandest mountain scenery on the American Continent.

John A. Beckwith, City Passenger Agent, 1118 Broadway, Oakland, Cal.

THEY KILL MONSTER CAT.

ELMHURST MEN SECURE BIG GAME IN CROW CANYON.

ELMHURST, Oct. 8.—H. Hansen and S. F. Andicott, residents of this place, recently shot and killed a monster wild cat in Crow Canyon. The Elmhurst men had been hunting through the canyon for several days and had succeeded in securing only small game, when one day the dogs discovered a wild cat. Treeing the animal the dogs attracted the attention of the hunters and after nearly filling the cat with shot it fell to the ground. When measured the wild feline proved to be four feet long from nose to its hind feet. It is undoubtedly the largest ever killed in this vicinity.

SOLD HIS PLACE.

John Dutton has sold his home on First avenue to a San Francisco man, who is now constructing a factory on the property.

HAVE GONE CAMPING.

Joseph and Samuel Dellenbaugh left recently on a hunting trip. They expect to be gone about two weeks and will camp in the vicinity of Livermore.

BOUGHT SNOW PROPERTY.

G. F. Brown recently purchased the home of M. S. Snow, a well-known resident of Elmhurst.

Saved Her Child's Life.

"In three weeks our chubby little boy was changed by Pneumonia almost to a skeleton," writes Mrs. W. Watkins of Pleasant City, O. "A terrible cough set in that, in spite of a good doctor's treatment for several weeks, grew worse every day. We then used Dr. King's New Discovery for Consumption, and our darling was soon sound and well. We are sure this grand medicine saved his life." Millions know it's the only sure cure for Coughs, Colds and all Lung diseases. Osgood Bros., druggists, Seventh and Broadway, guarantee satisfaction. 50c, $1.00. Trial bottles free.

HARRY FOLEY WINS FROM TREMBLE AT RELIANCE.

Much Interest is Being Taken in Herrera—Attel Fight—Merchants to Play Baseball—Sporting Notes.

After one of the cleanest fights seen in the Reliance Club for a long time, Harry Foley won from Ben Tremble last night in the fifth round by landing a lucky right swing on the side of his opponent's jaw. Up to the time that the knockout blow was landed it was either man's fight.

In the first round little fighting was done, although there were a few exchanges. Tremble appeared to be the cooler of the two and boxd with the cleverness for which he is noted. In the second round Foley put two hard straight lefts to Ben's face and tried swings for the jaw, but Foley neatly ducked each one.

Tremble was on the defensive in the third round and put in his spare time protecting his body and occasionally placing a straight right or left to Foley's head. The latter began to gain confidence as the bout continued and the round ended in his favor.

Acting upon the advice of his seconds, Tremble tried a succession of upper cuts in the fourth period, but Harry either blocked them, or else stepped out of harm's way. Foley was judging his distance better and the round was his.

Fast fighting was the feature of the fifth, and while Tremble was backing away from a clinch, Foley feinted with his left, Ben threw him head over to avoid the blow and Harry sent a pretty swing to his jaw and Tremble went down to the floor.

The blow did not lay Tremble flat, but put him on his hands and knees. He was completely dazed, however, as he had to remain in his corner several minutes while restoratives were applied.

In the curtain raiser, the "Dixie Kid," a sinewy colored youth, put "Medals" Dukelow down three times in the first round and Referee Ed Smith stopped the bout and gave the decision to the negro.

The preliminary go between Charles Johnson and Frank Rafael was stopped in the fifth round by the referee and the money given to Rafael, as Johnson was hardly able to keep on his feet. It was a fierce bout and both men were bleeding at the finish.

Ed Smith decided all of the contests, while Billy Jordan made the announcements. The club rooms were crowded and all went away satisfied that they had gotten their money's worth.

WHAT EDDIE GRANEY THINKS OF HERRERA

FAMOUS REFEREE IS OF THE OPINION THAT IT WILL BE A GREAT FIGHT.

Eddie Graney, the famous referee who officiated at the Jeffries-Fitzsimmons' contest, went out to the Six-Mile House yesterday and watched Aurelia Herrera do his gymnasium work. Graney was much impressed with Herrera's condition and is of the opinion that he could step into the ring at any time and battle for a championship.

"That little fellow works like a beaver," said Eddie, "and he is improving all the time. I like the way Biddy Bishop handles his men. He does not believe in any nonsense and when he has a fellow working he makes him work and when the work is completed, he allows him to have all the fun he wishes.

"I have seen both Attell and Herrera train and I think that the contest will be the best featherweight affair we have had here in some time. The winner will surely be in line for a contest with Young Corbett for the world's championship."

Attell has just had placed in his gymnasium at the beach a mat the exact size of the ring in which he will fight Herrera on the night of the 15th before the Acme Club. The boy puts on the gloves with all who care to, and now friends are trying to get Jimmy Britt to assist him in his work. Attell believes in lots of outdoor work and every morning takes a run about the park.

Contrary to all expectations the betting on the fight is 10 to 8, with Herrera the favorite.

BOWLING TEAMS TO MEET TONIGHT

TWELVE TEAMS HAVE ALREADY ENTERED TO CONTEST FOR PRIZES.

Twelve teams have entered the bowling tournament to be held on the Oakland alleys to night. The entry list will be kept open until the first bowler faces the foul line. This makes it possible that several other teams will be heard from in the tourney, which promises to furnish better sport than any previous rolls on the local alleys. The teams to enter thus far are the Americans, California, Crescents, Eugenes, Pacifics, Ami, Rex, San Francisco, San Jose, Vallejo Oakland, Eagles and Athenians.

Following is the list of prizes:

Team prizes—First, $30 in merchandise; second, five pairs gold cuff links.

Doubles—First, two silk umbrellas; second, two boxes of cigars; third, two sweaters; fourth, two quart bottles of whisky.

Singles—First, fine leather suit case; second, silk umbrella; third, pair of dress shoes; fourth, order for photographs; fifth, box of cigars; sixth, sweater; seventh, sweater; eighth, pair of $2.50 bowling shoes; ninth, pair of $2.50 bowling shoes; tenth, eleventh and twelfth, three $1 pairs of bowling shoes; thirteenth, fourteenth and fifteenth, three quart bottles of whisky.

BRITT TO MEET BILLY GARDNER

A ROUSING BOUT PROMISED AT SAN FRANCISCO CLUB, OCTOBER 31ST.

Jimmy Britt, the California lightweight, is displaying a willingness to meet any pugilist in his line and the next man whom he will go up against will be Billy Gardner of Lowell, Massachusetts. The two young men will try conclusions on the 31st of this month in San Francisco before the San Francisco Athletic Club. The meeting will take place in Woodward's pavilion, which will undoubtedly be filled to repletion, because all the fights of this club have been managed in a most able manner and to the complete satisfaction of the public.

Everybody knows Jimmy Britt and they also know that he is one of the gamiest fighters of his class who ever put on a pair of gloves. He will train at Croll's Garden in Alameda.

Gardner is none the less worthy of attention. He is a fighter of both pluck and honesty. He will, in this case, have the advantage of the training of his brother, George Gardner and Alec Greggains, the latter of whom by reason of his own achievements as a ring general and trainer, is the best man Gardner could have behind him.

Gardner has met many of the stars of the lightweight class. Tim Callaghan secured a decision over him once. He then knocked Callaghan out. He fought Austin Rice a draw and then won from him. He also defeated Kid Broad, who, in turn, won on points from him.

The fight will attract a large number of spectators from this side of the bay.

SCOTS WILL ENJOY THE BOWLING GAME

THEY WILL BUY GROUNDS AND HAVE A SELECT CLUB.

At a meeting of Oakland Scots, held in St. Andrew's room last Thursday night, it was decided to form a bowling club to be named the "Oakland Scottish Bowling Club." About thirty members were present. The following officers were elected for the ensuing year: President, James P. Taylor; Vice-President, James Moir; Treasurer, George Lackie; Secretary, A. W. Anderson. J. Pattulo, J. Moir and J. P Taylor were appointed a special committee to secure suitable grounds for playing purposes. Several of the members donated handsome sums for the purchase of the same. Among those so doing were J. P. Taylor, Robert Dalziel, Hugh Hamilton and Messrs. Pattulo, Moir, Kydd and Keay. The future of the club is secured, and for the benefit of those wishing to become members a meeting will be held in St. Andrew's rooms, Tenth street, Oakland, Thursday, October 9, at 8:30 p. m.

BASEBALL GAME SUNDAY AFTERNOON

Next Sunday afternoon a game of baseball is to be played at Freeman's Park between two teams composed of commission merchants on Eleventh street and known as the North Side and South Side baseball teams.

Both sides have been practicing hard for four months and are in the pink of condition, each confident that they will win the $75 trophy put up by the merchants.

Both sides have some "old timers" among them, who are going to show that they are still in the running. Game is to be called promptly at 2:30 p. m.

SPORTING NOTES.

Abe Attell and Aurelia Herrera, who are matched to fight before the Acme Club on the 15th of this month, were introduced to the sports last night at the Reliance Club.

Con Sheean and Tom Brown (colored) challenged the winner of the Foley-Tremble contest last night.

SANTA CRUZ, Oct. 8.—Harry McIntyre, formerly a well-known baseball player, died yesterday from concussion of the brain from falling from a wagon at Boulder Creek on Friday. He was a member of the San Francisco and Oakland teams several years ago, and also of the local professional baseball team, of which O. L. Tuttle, who died in San Francisco yesterday, was manager. McIntyre's remains were shipped to Oakland for interment.

Oakland Bottling Company.

PERSONAL NEWS OF IRVINGTON

PREPARATIONS BEING MADE FOR THE COMING FAIR AT MISSION.

IRVINGTON, Oct. 8.—Miss Minnie Seely and Miss Myrtle Wood of Haywards spent Saturday in Irvington with friends.

Mr. and Mrs. L. Frakes of Brightside was a guest in Irvington a few days last week.

H. Cushing of Irvington spent Friday in Oakland on business.

Mrs. Thomas Cushing of Warm Springs was a recent visitor in the bay cities.

Miss Josie Noll of Irvington who is attending the Normal School in San Jose was a visitor of Mrs. H. Cushing Sunday.

Mr. and Mrs. Charles Reuter of Oakland were the guests of Mr. and Mrs. H. Cushing Sunday.

The Irvington Brass Band is in demand of late for political meetings and the boys deserve a great deal of credit.

Father Doran of Mission San Jose is working to make the fair of the Mission parish a success. The fair will open Thursday, October 9th, in A. O. U. W. Hall and continue for several days. The people of Mission parish always turn out with a will to make their fair a grand success, and this year efforts will no doubt surpass those of former years.

The Country Club met yesterday with Mrs. J. C. Mowry of Mowry's Landing.

Mrs. Abbie Greybill and children will live in Irvington for the future, where they have removed from Mowry's Landing.

Mrs. Sam Vandervoort returned home Saturday evening from San Francisco where she has been during her late illness.

Charles Bond who has been quite ill for the past week is now able to be around.

LEGAL.

SUMMONS.

In the Superior Court in and for the county of Alameda, State of California.

ANNIE ALDRICH BARTON and HELEN ALDRICH DUNNING, as the Trustees appointed to execute the Trusts created by the Last Will of WILLIAM A. ALDRICH, Deceased, and ANNIE ALDRICH BARTON and HELEN ALDRICH DUNNING, in their individual capacities, Plaintiffs,

vs.

GEORGE ALBERT ALDRICH, MINNIE C. ALDRICH, HELEN H. ALDRICH, BERNICE B. ALDRICH, AILEEN ALDRICH, WILLIAM A. ALDRICH, SWINTON D. ALDRICH, JOHN DOE, RICHARD ROE, JANE DEN and MARY FEN, Defendants.

Summons.

Action brought in the Superior Court of the State of California, in and for the county of Alameda, and complaint filed in said county of Alameda, in the office of the Clerk of said Superior Court.

The people of the State of California send greeting to:

George Albert Aldrich, Minnie C. Aldrich, Helen H. Aldrich, Bernice B. Aldrich, Aileen Aldrich, William A. Aldrich, Swinton D. Aldrich, John Doe, Richard Roe, Jane Den and Mary Fen, defendants.

You, and each of you, are hereby directed to appear in an action brought against you by the above named plaintiffs, in the Superior Court in and for the county of Alameda, State of California, and to answer the complaint therein within ten days (exclusive of the day of service) after the service on you of this summons, if the said summons is served on you within said county of Alameda; or if said summons is served upon you elsewhere, then within thirty days (exclusive of the day of service) after the service thereof upon you; or judgment by default will be taken against you, according to the prayer of said complaint.

And you are hereby notified, that, if you fail to appear and answer the said complaint as above required, the said plaintiff will take judgment for any money or damages demanded in the said complaint as arising upon contract or will apply to the said Court for any other relief demanded in said complaint.

Said action is brought to obtain a judgment of said Court aiding and instructing the said trustees in the performance of the trusts aforesaid and ascertaining and determining the powers and duties of the said trustees over and concerning the real and personal property in the complaint mentioned and particularly described, the same being the ranch or tract of land near Athlone, in the county of Merced, State aforesaid, containing about 3,725 acres of land, and the stock, farming implements, utensils, goods, chattels and personal property upon or pertaining thereto: Also that the said Court by its said judgment, decree that said property be sold and fix the price therefor and give directions to said trustees concerning the sale and disposition thereof; also that said Court authorize and direct said trustees to make sale of said property to the proposed purchaser thereof referred to in said complaint, at private sale for $30,974.00 in U. S. gold coin, upon the terms and conditions set forth in the complaint, and that such sale thereof when made and reported be sanctioned and confirmed; that said trustees be allowed out of the trust estate their costs and disbursements and the fee of their attorneys herein; and that such other, further or different relief be granted and that such other and further judgment be rendered herein, as shall seem equitable and just.

Given under my hand and seal of the Superior Court of the county of Alameda, State of California, at Oakland, in said county, this 23rd day of August, A. D. 1902.

(Official Seal.)

FRANK C. JORDAN, County Clerk of said County of Alameda, State of California, and ex-officio Clerk of said Superior Court.

By F. E. BROWNING, Deputy Clerk.

(Endorsed):

DROWN, LEICESTER & DROWN, Attorneys for Plaintiff, 104 Sutter street, San Francisco, Cal.

ORDINANCE NO.—

AN ORDINANCE AUTHORIZING THE BOARD OF PUBLIC WORKS TO ADVERTISE FOR BIDS AND AWARD A CONTRACT FOR REPLACING PILES IN FRANKLIN STREET WHARF AND APPROPRIATING $800 FOR SAID PURPOSE.

Be it ordained by the Council of the City of Oakland, as follows:

SECTION 1.

The Board of Public Works is hereby authorized and directed to advertise for bids and award a contract for replacing piles in Franklin Street Wharf.

SECTION 2.

The sum of $800 is hereby appropriated from the General Fund of 1902-03 for said purpose.

SECTION 3.

This Ordinance shall take effect immediately.

In Council, Oakland, Cal., October 6th, 1902.

Passed to print by the following vote:

Ayes—Messrs. Bishop, Boyer, Cadman, Courtney, Cuvellier, Dornin, Fitzgerald, Ruch, Wallace, Wixson and President Schaffer—11.

Noes—None.

Absent—None.

Attest:

ROD W. CHURCH, City Clerk.

Oakland, Oct. 8, 1902.

60-10-8-10t

RESOLUTION OF INTENTION NO. 27,687.

Resolved, That it is the intention of the Council of the City of Oakland to order the following street work to be done, to-wit:

That 7th street in said city, from the eastern line of Oak street to the western line of Fallon street, be curbed with wood, macadamized with class "C" macadam, and graded excepting from said grading both sidewalks and that portion of street required to be kept in order or repair by any person, firm or corporation having railroad tracks thereon; also that gutters three (3) feet wide of broken rock, grouted, be constructed thereon.

The Oakland Tribune is hereby designated as the daily newspaper published and circulated in said city, in which this Resolution of Intention and the Street Superintendent's notice of the passage thereof shall be published. The Clerk of this Council is hereby directed to publish this Resolution by two successive insertions in said newspaper and to post the same for two days conspicuously on or near the chamber door of this Council.

RESOLUTION NO. 27,708 ORDERING THE WORK.

Resolved, That the public interest and convenience require the work herein described, and the Council of the City of Oakland hereby orders the following street work to be done according to the specifications contained in its Ordinance No. 1422, approved May 12th, A. D. 1892, to-wit:

That the southwestern half of East 19th street in said city, from the northwestern line of 5th avenue to a point one hundred twenty-five (125) feet northwesterly from said northwestern line of 5th avenue, be graded to the official line and grade, curbed with wood and macadamized with class "C" macadam; also that a gutter three feet wide, of broken rock, grouted, be constructed thereon.

The Clerk of this Council is hereby directed to publish this Resolution for two days in the Oakland Tribune, a daily newspaper published and circulated in this city, and which is hereby designated for that purpose. He is also directed to post conspicuously for five days near the Council Chamber door of this Council notice of said work with specifications, inviting sealed proposals or bids for doing the work ordered, and to publish for two days a notice of said work, inviting sealed proposals or bids for doing the work, and referring to the specifications posted and on file, the said publication to be in the said Oakland Tribune, the daily newspaper hereby designated for that purpose. Both of said notices shall require a certified check or a bond, either as prescribed by law, and for an amount not less than ten per cent of the aggregate of the proposal. The 20th day of October, 1902, is hereby designated and fixed as the day on which, up to the hour of 5 o'clock P. M., the said proposals or bids shall be received, and the said notices shall so specify.

I certify that the foregoing is a full, true and correct copy of a Resolution adopted by the City Council of the City of Oakland, Cal., October 6th, 1902.

COMMISSIONER'S SALE.

In the Superior Court of the county of Alameda, State of California.

CONTINENTAL BUILDING AND LOAN ASSOCIATION, Plaintiff,

vs.

SIDNEY M. YORK, AGNES YORK, his Wife, J. A. COOK AND EDWARD HOFFSCHNEIDER (Co-partners doing business under the firm name of J. A. COOK & CO., ROBERT HOWDEN ET AL., Defendants.

No. 17,600. Dept. 3.

Order of sale and decree of foreclosure and sale.

Under and by virtue of a decree of foreclosure and sale duly given and made and an order of sale issued out of the Superior Court, Department No. 3, of the county of Alameda, State of California, on the 1st day of October, 1902, in the above entitled action, in the said Superior Court, wherein the above named plaintiff obtained a judgment and decree of foreclosure and sale against the above named defendants on the 23rd day of September, 1902, which said judgment and decree was on the 1st day of October, 1902, recorded in Judgment Book 46, at page 172, of said Court (to which judgment and decree reference is hereby made for the terms, conditions and manner of sale and amounts due), I am commanded to sell all that certain real property and parcel of land situate, lying and being in the city of Oakland, county of Alameda, State of California, and bounded and particularly described as follows, to-wit:

Commencing at a point on the northeastern line of Glen avenue, distant thereon 320.07 feet southeasterly from the southeastern line of Webster street or Piedmont avenue, and running thence northeasterly parallel with Webster street or Piedmont avenue 106.40 feet; thence at right angles northwesterly 60 feet; thence at right angles southwesterly 132 feet more or less to the northeastern line of Glen avenue, and thence southeasterly along said last named line 64.72 feet to the point of commencement; being a portion of lot No. 19 as laid down and delineated upon a certain map entitled "Subdivision of Lots 2, 3, 4 and 42 of Map Number 2 of Glen Echo Tract, Oakland Township, Alameda County," filed December 3rd, 1888, in the office of the County Recorder of said Alameda county.

Together with all and singular the tenements, hereditaments and appurtenances thereunto belonging or in anywise appertaining.

And public notice is hereby given that on

FRIDAY, THE 31ST DAY OF OCTOBER, 1902,

At 3 o'clock P. M. of that day, in front of the Broadway entrance to the Court House of the county of Alameda, in the city of Oakland, State of California, I will, in obedience to said order of sale and decree of foreclosure, sell the above described property, or so much thereof as may be necessary to raise sufficient money to satisfy said judgment, with interest and costs, etc., to the highest and best bidder, for gold coin of the United States.

Dated at Oakland, California, October 9th, 1902.

J. B. LANKTREE, Commissioner appointed by said Superior Court.

COMMISSIONER'S SALE.

ABBY F. VAUGHAN, Plaintiff,

vs.

ROSE CHERRY ET AL., Defendants.

No. 18,774. Dept. 3.

Order of sale and decree of foreclosure and sale.

Under and by virtue of an order of sale and decree of foreclosure and sale issued out of the Superior Court of the county of Alameda, of the State of California, on the 27th day of September, A. D. 1902, in the above entitled action, wherein Abby F. Vaughan, the above named plaintiff, obtained a judgment and decree of foreclosure and sale against Rose Cherry, Agnes Smith, Mary Smith Street, Henry Smith, Robert Smith, Lottie Smith, whose name is also sometimes written Charlotte Smith, Annie Smith, whose name is also sometimes written Anna Smith, and Walter Smith, minors, by Henry Smith, guardian of the persons and estates of said Robert Smith, Lottie Smith, Annie Smith and Walter Smith, defendants, on the 25th day of September, A. D. 1902, for the sum of eighteen hundred ($1,800.00) dollars, in United States gold coin, together with interest, costs and attorney fees, aggregating with said principal the sum of $2,037.80; which said judgment and decree were on the 27th day of September, A. D. 1902, recorded in Judgment Book No. 46 of said Court, at page 167, I am commanded to sell all that certain lot, piece or parcel of land, situate, lying and being in the city of Oakland, county of Alameda, State of California, bounded and particularly described as follows, to-wit:

Commencing at the southwesterly corner of Campbell and West Thirteenth streets, running thence westerly along the southerly line of West Thirteenth street one hundred and fifteen (115) feet; thence at right angles southerly thirty (30) feet; thence at right angles easterly one hundred and fifteen (115) feet to the westerly line of Campbell street, and thence northerly along the last named line thirty (30) feet to the point of commencement. Being lot No. 4 in block 1 as per map entitled "Map of Tract 383, City of Oakland," filed January 8, 1870, in the office of the County Recorder of said county of Alameda.

Public notice is hereby given that on

FRIDAY, THE 30TH DAY OF OCTOBER, 1902,

At 10 o'clock A. M. of that day, in front of the Broadway entrance of the Court House of the county of Alameda, in the city of Oakland, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to raise sufficient money to satisfy said judgment, with interest and costs, etc., to the highest and best bidder, for gold coin of the United States.

Oakland, Cal., Oct. 8th, 1902.

J. B. LANKTREE, A Commissioner appointed by said Superior Court.

CARY HOWARD, Attorney for Plaintiff.

RESOLUTION NO. 27,707 ORDERING THE WORK

Resolved, That the public interest and convenience require the work herein described, and the Council of the City of Oakland hereby orders the improvement of Twelfth street and East Twelfth street from the western line of Fallon street to a line drawn at right angles to the northern line of East Twelfth street through a point thereon distant on said northern line 4½ feet westerly from the eastern line of the boulevard (including what is popularly known as the Twelfth street dam), excepting therefrom such portion as is required by law to be kept in order or repair by any person, firm, company or corporation having railroad tracks thereon, said improvement to be in accordance with the plans, profiles and specifications made therefor by the City Engineer of said City of Oakland and filed with the City Clerk of said city on the 16th day of June, 1902, and as described as follows, to-wit:

Said street is to be graded; to be macadamized with class B macadam westerly from a line drawn at right angles to the center line of Twelfth street through the point of intersection of the northern line of Twelfth street with the western line of the boulevard, and re-macadamized with class B macadam easterly thereof; to be curbed with wood westerly and with granite easterly of a line drawn at right angles to the northern line of Twelfth street through a point thereon distant 100 feet westerly from the western line of the boulevard, excepting from said curbing such portion of the northern curb as lies easterly of the center line of the boulevard and also such portion of the southern curb as lies westerly of the center line of Fallon street; gutters to be constructed three (3) feet wide of broken rock, grouted except on the northern side between the center lines of Fallon street and the boulevard, where the gutter is to be five (5) feet wide and constructed of bituminous sand rock two (2) inches thick on a concrete foundation six (6) inches thick; a bicycle path seven (7) feet wide to be constructed of bituminous sand rock one (1) inch thick on three (3) inches of broken stone, and to be located between the northern curb and said bituminous sand rock and concrete gutter; a six (6) inch pipe drop with top grating to be constructed through tidal culvert; a ten (10) inch sewer pipe culvert with two cast-iron and concrete catch-basins to be constructed near the middle of said dam, the southern of said catch-basins to have a vertical inlet and the northern of said catch-basins to have a horizontal inlet, through a circular grating; two (2) 7-in.x30-in. culverts with 7-in.x30-in. branches to be constructed at the crossing of Fallon street, said culverts to be of concrete with bars of twisted steel imbedded in their tops; class A crosswalks of bituminous sand rock on concrete foundations to be constructed as follows, to-wit: Four at the crossing of Fallon street and two at the crossing of the boulevard; three wooden bridges six (6) feet wide to be constructed over gutters at crossing of the boulevard; sidewalks six (6) feet in width to be constructed of bituminous sand rock between the eastern curb line of Fallon street and a line drawn at right angles to the northern line of Twelfth street through a point distant thereon one hundred (100) feet westerly from the western line of the boulevard, and the remainder to be constructed of cement, excepting from said sidewalking such portion at the intersection of the boulevard and said East Twelfth street as is already done in cement. Along the northern side of said Twelfth street dam, between the boulevard and a point 899 feet westerly therefrom, and from the existing wooden bulkhead to the western side of the southern end of the tidal waterway herein provided, a retaining wall of loose rock to be constructed; and loose rock aprons to be constructed at both northern and southern ends of the said tidal waterway; a tidal waterway consisting of four arches, each twelve (12) feet wide, floored, to be constructed of concrete on a pile and timber foundation, the center line of said concrete waterway to be at right angles to the northern line of Twelfth street at a point distant 59 25-100 feet westerly on said northern line of Twelfth street from the western line of the boulevard; gate frames of wood to be constructed in said tidal waterway and the tide gates now in use at the present tidal waterway to be removed and placed in said frames at the northern end of said concrete tidal waterway; the existing wooden tidal waterway to be filled with earth and upper timber work removed; an earthen embankment ten (10) feet wide on top to be made along the southern side of said Twelfth street from the proposed rock retaining wall to the western end of the existing wooden bulkhead.

The whole of the costs and expenses of the work hereinbefore mentioned to be paid out of the Treasury of the City of Oakland from the Park and Boulevard Fund for the fiscal year 1902-03.

The Clerk of this Council is hereby directed to publish this Resolution for two days in the Oakland Tribune, a daily newspaper published and circulated in this city, and which is hereby designated for that purpose. He is also directed to post conspicuously for five days near the Council Chamber door of this Council notice of said work with specifications, inviting sealed proposals or bids for doing the work ordered, and to publish for two days a notice of said work, inviting sealed proposals or bids for doing the work, and referring to the plans, profiles and specifications posted and on file, the said publication to be in the said Oakland Tribune, the daily newspaper hereby designated for that purpose. Both of said notices shall require a certified check or a bond, either as prescribed by law, and for an amount not less than ten per cent of the aggregate of the proposal. The 20th day of October, 1902, is hereby designated and fixed as the day on which up to the hour of 5 o'clock P. M. the said proposals or bids shall be received, and the said notices shall so specify.

I certify that the foregoing is a full, true and correct copy of a Resolution adopted by the City Council of the City of Oakland, Cal., October 6th, 1902.

LEGAL.

RESOLUTION NO. 27,706 ORDERING THE WORK.

Resolved, That the public interest and convenience require the work herein described, and the Council of the City of Oakland hereby orders the following street work to be done according to the specifications adopted therefor by said Council on the 6th day of October, A. D. 1902, to-wit:

That Fourth street in said city, from the existing sewer in Broadway lying easterly of the center line of said Broadway to a point distant two hundred (200) feet easterly from the eastern line of said Broadway, be sewered with an eight-inch salt-glazed vitrified iron-stone pipe sewer; also that twelve (12) "Y" branches with six-inch openings, of salt-glazed vitrified iron-stone pipe, be constructed thereon; also that one lamphole of six-inch vitrified iron-stone pipe and having a top of cast-iron and brick be constructed at the eastern end of said proposed sewer in Fourth street; also that one brick manhole two feet inside diameter at top and four feet inside diameter at bottom, and provided with a top of iron, be constructed at the junction of said proposed sewer with said sewer in Broadway. Said proposed sewer is to be laid in the center of Fourth street on a grade ascending easterly at the rate of seven in one thousand. At the western end said proposed sewer will have the bottom inside at an elevation eight (8) inches higher than the bottom inside of said existing sewer in Broadway at the center of said proposed manhole.

The Clerk of this Council is hereby directed to publish this Resolution for two days in the Oakland Tribune, a daily newspaper published and circulated in this city, and which is hereby designated for that purpose. He is also directed to post conspicuously for five days near the Council Chamber door of this Council notice of said work with specifications, inviting sealed proposals or bids for doing the work ordered, and to publish for two days a notice of said work, inviting sealed proposals or bids for doing the work, and referring to the specifications posted and on file, the said publication to be in the said Oakland Tribune, the daily newspaper hereby designated for that purpose. Both of said notices shall require a certified check or a bond, either as prescribed by law, and for an amount not less than ten per cent of the aggregate of the proposal. The 20th day of October, 1902, is hereby designated and fixed as the day on which, up to the hour of 5 o'clock P. M., the said proposals or bids shall be received, and the said notices shall so specify.

I certify that the foregoing is a full, true and correct copy of a Resolution adopted by the City Council of the City of Oakland, Cal., October 6th, 1902.

NOTICE OF AWARD OF CONTRACT.

Pursuant to statute and to Resolution No. 27,688 of the Council of the City of Oakland, adopted September 15th, 1902, directing this notice, notice is hereby given that the said Council in open session on the 15th day of September, 1902, opened, examined and publicly declared all sealed proposals offered for the following work, to-wit:

That West Moss avenue (formerly Moss avenue) in said city, from the manhole in Gold street to the intersection of the center line of West Moss avenue with the center line of Silver street, and Silver street, from said intersection of the center lines of West Moss avenue and Silver street to the manhole in Thirty-eighth street, be sewered with an eight-inch, salt-glazed, vitrified ironstone pipe sewer; also that a brick manhole with a cast-iron top, having an inside diameter of two feet at top and four feet at bottom, be constructed thereon at said intersection of West Moss avenue and Silver street; also that vitrified, salt-glazed ironstone pipe "Y" branches with six inch openings be constructed thereon as follows, to-wit: Nine (9) on West Moss avenue and eleven (11) on Silver street. Said sewer to be laid straight and on a uniform grade ascending easterly and northerly at the rate of eight feet in one thousand feet between manholes. At said manhole at Gold street and West Moss avenue said proposed sewer will be at the same elevation as the existing sewer thereat in Gold street.

And thereafter on the sixth day of October, 1902, by said Resolution of Award No. 27,688, awarded the contract for said work to the lowest regular responsible bidder, to-wit: to E. Cavanagh, at the prices named for said work in his proposal on file, namely:

Furnishing and laying 8 inch pipe at 75 cents per lineal foot.

Furnishing and laying 6 inch Y branches at 50 cents each extra.

Constructing brick manholes with covers complete $40.00 each.

Said award has been approved by the Mayor of said City of Oakland.

Clerk's Office, City of Oakland, Oct. 8th, 1902.

SECTION 2.

A special tax of eleven cents is hereby fixed and leived for the fiscal year 1902-1903 on each and every one hundred dollars of taxable property, real and personal, within the corporate limits of the city of Oakland, and the tax so levied and the money arising therefrom, shall be and is hereby apportioned to the High School Fund, to be used exclusively for the support and maintenance of the High School of the City of Oakland, pursuant to an Act of the State Legislature, approved March 15, 1901, and entitled an "Act to Amend Section Sixteen Hundred and Seventy of the Political Code of the State of California, Relating to High Schools."

SECTION 3.

A tax of eight (8) cents is hereby fixed and levied for the fiscal year 1902-1903 on each and every one hundred dollars of taxable property, real and personal, within the corporate limits of the City of Oakland, except in that portion of the city which was annexed in 1891 and except in that portion of the city which was annexed in 1897, and the tax so levied and the money arising therefrom shall be and is hereby set apart and apportioned as follows:

Bond Interest Fund	$ .02
Bond Redemption Fund	.06

SECTION 4.

A tax of seven (.07) cents is hereby fixed and levied for the fiscal year 1902-1903 on each and every one hundred dollars of taxable property, real and personal, within the corporate limits of the City of Oakland, except in that portion of the city which was annexed in 1897, and the tax so levied and the money arising therefrom shall be and is hereby set apart and apportioned as follows:

School Building Bond Interest Fund	$ .025
School Building Bond Redemption Fund	.045

SECTION 5.

This Ordinance shall take effect immediately.

In Council, Oakland, Cal., September 26, 1902.

Passed to print by the following vote:

Ayes—Messrs. Bishop, Boyer, Cadman, Courtney, Cuvellier, Ruch, Wallace and President Schaffer—8.

Noes—Mr. Dornin—1.

Absent—Messrs. Fitzgerald and Wixson—2.

Attest:

ROD W. CHURCH, City Clerk.

Oakland, Sept. 27, 1902.

NOTICE OF ADMINISTRATOR'S SALE OF REAL ESTATE AT PRIVATE SALE.

Under authority of an order of sale in the matter of the estate of Elizabeth L. Cook, deceased, granted by the Superior Court of the county of Alameda, State of California, duly made and entered therein on the 6th day of October, 1902, I will sell at private sale the following described real estate belonging to said estate:

All those certain lots or parcels of land situated in the county of Alameda, State of California, and described as follows, to-wit:

First. Commencing at the point of intersection of the northerly line of Tenth street with the easterly line of Castro street, and running thence easterly along said line of Tenth street fifty (50) feet; thence at right angles northerly and parallel with Castro street one hundred (100) feet; thence westerly and parallel with Tenth street fifty (50) feet to the easterly line of Castro street; and thence southerly along said line of Castro street one hundred (100) feet to the point of beginning; being the westerly fifty (50) feet of lots numbers 1, 2, 3 and 4 in block No. 147 as per Kellersberger's Map of said City of Oakland, on file in the County Recorder's office of Alameda county, State of California.

Second. Lots numbers 8 and 9 in block No. 3 of the McGee tract as the said lots and blocks are delineated and so designated on that certain map entitled "Map of the McGee Tract, Berkeley," surveyed September, 1885, by M. G. King, Engineer, and filed in the office of the County Recorder of said Alameda county, May 27th, 1886.

The sale will be made on or after Thursday, the 24th day of October, 1902, and bids will be received at the office of William H. Knight, No. 1118 Broadway, Oakland, Cal.

All bids must be in writing and may be left at the office above designated at any time after the first publication of this notice and before the making of the sale.

Terms and conditions of sale: Cash in lawful money of the United States, ten per cent of the purchase price to be paid to the undersigned on the day of the sale, balance payable on the confirmation of sale by said Superior Court.

Dated Oakland, Cal., October 7th, 1902.

WILLIAM H. KNIGHT, Administrator of the Estate of Elizabeth L. Cook, deceased.

FREDERICK E. WHITNEY, Attorney for Estate.

PROPOSALS FOR FURNISHING SUPPLIES.

NOTICE IS HEREBY GIVEN, THAT the Board of Directors of the Industrial Home of Mechanical Trades for the Adult Blind of the State of California will receive and open proposals and let contracts for supplying the Home for one year, from October 14, 1902, to October 14, 1903, with the following articles: 1. Meats. 2. Groceries and Provisions. 3. Butter. 4. Coal. 5. Flour and Millstuffs. 6. Coffee and Tea. 7. Broom Corn and Broom Supplies. 8. Dry Goods. 9. Wood and Willow Ware.

Bids will be opened Tuesday, October 14th, 1902, at 7:30 P. M., at the Home, corner Thirty-sixth street and Telegraph avenue, Oakland, California.

Blank forms, with schedules showing conditions and quantity required, can be had upon application to the Superintendent, Joseph Sanders, at the Home.

The Board reserves the right to reject any and all bids.

Preference will be given to California products, price and quality considered.

All bidders for furnishing supplies are invited to be present at the opening of bids.

By order of the Board of Directors.

GEO. S. MEREDITH, Secretary.

Probate Notice.

In the Superior Court of the county of Alameda, State of California.

In the matter of the estate of Emily F. Arey, deceased.

Notice of time set for proving will, etc.

Notice is hereby given, that a petition for the probate of the will of Emily F. Arey, deceased, and for the issuance to Edwin Goodall of letters testamentary thereon has been filed in this Court, and that Friday, the 10th day of October, A. D. 1902, at 10 o'clock A. M. of said day, at the Courtroom of Department No. 4 of said Court, at the Court House in the city of Oakland, in said county of Alameda, has been set for the hearing of said petition and proving said will, when and where any person interested may appear and contest the same.

Dated, Sept. 20, 1902.

FRANK C. JORDAN, Clerk.

By J. C. CROOKS, Deputy Cerk.

EDWIN T. COOPER, Attorney for Petitioner, 71 Crocker Building, San Francisco, Cal.

DR. PARDEE IS GIVEN AN OVATION IN THE NORTH.

Chico and Oroville Voters Turn Out In Large Numbers to Welcome the Oakland Man.

CHICO, Oct. 7.—George C. Pardee, Republican nominee for Governor, and State Senator W. M. Cutter, Republican nominee for re-election in the Eighth district, arrived in Chico at 7:30 o'clock by special train and were accorded a rousing reception. The party was met at the railway station by the Chico Republican Club, headed by the Eighth Regiment band, accompanied by hundreds of citizens. As the train drew in the band struck up a lively air, and when Pardee and his wife appeared on the platform a mighty cheer went up. The visitors were taken in charge by the reception committee, and, with the band and the Republican Club as escort, were driven to the Park Hotel, where dinner was awaiting them. All along the line of march the streets were brilliantly illuminated by electric lights and bonfires. After dinner a reception was tendered to Mrs. Pardee by the ladies of Chico, while Dr. Pardee was kept busy shaking hands with his enthusiastic admirers.

Tonight's open-air meeting took place in front of the City Hall. Judge E. B. Collins, acting as chairman, introduced the various speakers. When Pardee was introduced he was greeted with prolonged applause. He addressed the audience in part as follows:

"Mr. Chairman, Ladies and Gentlemen: Permit me to thank you here for this hearty welcome and for the evidence of your kindly feeling. I have recently returned from the southland, and while there I found on all sides evidences of friendship. I bring to you people of Chico and vicinity renewed assurances of the stalwartism of the southern part of the State and that it will give its old-time majority, even increased, for the Republican ticket on November 4. (Applause.)

"I have been working very hard with voice and hand during the last several days. I am weary and worn out, but I am glad to appear here this evening before the people of Chico to tell them that I have had only success in the south. The people of the south said to me that, following Abraham Lincoln's well-known advice, they were not going to 'swap' horses in the middle of the stream of prosperity, that they were not going to trade off the tried and trusty Republican steed for the old, worn-out Democratic hack that would land them, as it did eight years ago, in the middle of the stream of adversity, penury, distress and hard times. They told me that they would come to the Tehachapi with 15,000 majority for the ticket. (Applause.)

"Down south they asked me how the northern part of the State was going. I told them that Northern California was going to do as well by the ticket as it has ever done, and that was well enough.

Senator Cutter was next introduced and was warmly received. He delivered a short address, urging the necessity of sending a Senator from this district who would support George C. Perkins for United States Senator.

D. E. McKinlay delivered an eloquent address, during which he referred to the words so often used by Democratic orators—"laboring man."

"We are all laboring men," said he. "We are all dependent one on another."

He also referred to the changed conditions of the people whom the Democratic speakers choose to term the "laboring men." These laboring men now had swing bank accounts, where a few years ago it was a question with nearly every one of them as to where he would get the money necessary to pay the grocer and the butcher. The condition of this laboring class today, said McKinlay, was a barometer that told what a Republican administration was doing for the toilers.

The meeting closed with three cheers for Pardee, Cutter and the Republican ticket from top to bottom.

PARDEE AT OROVILLE.

OROVILLE, Oct. 7.—Dr. George C. Pardee, Republican nominee for Governor, spent about six hours today with the citizens of Oroville and vicinity. A meeting in Union Hall was as largely attended as could be well expected for a day gathering, and a good impression was left by the candidate.

The special train bearing Dr. Pardee's party was met on its arrival at the railway station by a reception committee consisting of Colonel H. T. Batchelder, Dr. W. H. Hilton, W. P. Hammon, Dr. W. F. Gates, Judge John Gray, L. L. Green, John M. Ward and Warren Sexton. Mrs. Pardee was taken in charge by a committee of ladies, and the entire party was driven to the Odd Fellows' Home at Thermalito, where Dr. Pardee addressed the inmates of the institution. A visit was then made to the Butte County Infirmary, also in Thermalito, and the party returned to Oroville in time for luncheon.

Colonel H. T. Batchelder presided at the Oroville meeting, and an outburst of cheers greeted his introduction of Dr. Pardee, "the next governor of California." The doctor began his address by alluding to the difficulty which men must necessarily experience in attending an afternoon meeting. He said that eight years ago no doubt there would have been a better attendance than today, for the reason that at that time, under a Democratic administration, there were thousands who found nothing else to do. He insisted that national issues must be considered in this campaign and that the event of the Republican nominee for Governor would be returned to "Roosevelt, successor of the great, great McKinley," as a lack of support of the administration. The speaker said he was glad to come to Oroville, where, he remarked, they raised the best and finest peaches and oranges. The ladies were thanked for their presence, and the speaker said that, although they could not vote, he believed the time would soon come when they would have this privilege, as they did now in some of our sister States.

Dr. Pardee's speech was short, but effective, and was delivered in a manner which made an excellent impression. Much attention was given to national issues and he closed by giving assurance of the utmost confidence in being elected Governor of California.

Following the Gubernatorial nominee Senator William M. Cutter, chairman of the Republican State Central Committee, and candidate for State Senator in the Sixth Senatorial district, addressed the assemblage. He talked of national issues and asked to be returned to the Senate because of the fact that he had the needed experience and he believed he would be able to accomplish more there than would a Democratic in a Republican legislative body. D. E. McKinlay closed the meeting with an eloquent address.

SORRY

We could not give you all the attention that we should like to have given you. All day yesterday and today our store was crowded with enthusiastic buyers eager to gather some of the great bargains, and they were abundantly rewarded. But great as the selling was there are many attractions that remain. With some additional bargains which will go on sale tomorrow, as you'll see by the following:

9-4 unbleached sheeting, 16c value ..... 12 1-2c yard
10-4 unbleached sheeting, 19c value ..... 15c yard

EXCHANG FAVORS THE FRANCHISE.

REQUEST THE CITY COUNCIL TO FAVORABLY CONSIDER THE MATTER.

At a meeting of the Merchants' Exchange last night many of the members expressed themselves in favor of the Council granting the new railroad the franchise they ask for, and as an expression of their feelings the following resolution was unanimously passed:

"Whereas, Oakland is the natural western terminus of all transcontinental railroads, and

"Whereas, There is now pending in the City Council an application for a railroad franchise, and

"Whereas, The applicants therefor have shown their good faith by the purchase of large tracts of real estate in this city and vicinity, therefore

"Resolved, By the Merchants' Exchange of Oakland that the City Council is requested to grant said franchise under such restrictions as may be necessary to protect the rights of the people of the city of Oakland."

J. F. W. Sohst stated that there had been much misconception regarding the grade of the road which was in no place more than a five-foot rise in a hundred. He also stated with regard to the subscriptions to the amount to be raised for the tunnel by the Exchange that he thought there would be very little trouble in getting the necessary funds. He said that Hugh Hogan, the lumber merchant, had stated that he was confident that any sum he should subscribe would be repaid to him within a year by the business which he would be able to carry on with Contra Costa county over the new road.

The active work of canvassing for subscriptions to the fund will be commenced, although the opportunity will first be given to the merchants to make voluntary subscriptions.

It was stated by W. H. Weilbye that the Lumber Dealers' Association had yesterday morning taken action with regard to a contribution for the tunnel fund but that the matter had been postponed for final action until next Tuesday.

J. R. T. Sloan and J. M. Burnham of the Knights of Pythias 1902 Committee, which was in charge of the recent Oakland day during the recent K. of P. conclave in San Francisco, appeared to thank the directors for the support given them in the preparations for the day and to turn over to the Exchange the $170.30, half of the balance remaining from funds raised for the day. The other half has been turned over to the Board of Trade.

President Gier thanked the gentlemen on behalf of the Exchange and on motion of Mr. Sohst, the sum received was ordered turned over to the tunnel fund as the K. of P. contribution to the fund.

The thanks of the Exchange directors to President Gier for the pleasant outing of last Sunday at his country vineyard, Lotus Farm, near Napa, was conveyed by Director Arper in a few well chosen remarks. In reply Mr. Gier said that the thanks were unnecessary and that he was only sorry for those who did not go.

TWO CLEVER PLAYS AT THE MADONOUGH

Two clever plays are coming to the Macdonough Theater in a few days. Next Sunday night the "Hello Bill" company will play for one evening. It is a clever show and replete with features.

On Monday night the attraction will be "The Bonnie Brier Bush," in which J. H. Stoddard will appear. The play is a charming one and no doubt will bring out all the society people.

REGIMENT ARRIVES.

Judge Ellsworth today granted Walter P. Johnson, administrator of the estate of the late Ned J. Scribner, permission to sell the fruit crop of prunes and almonds belonging to the estate.

SUES B. C. HAWES.

H. Graham today commenced suit against B. C. Hawes, as administrator of the estate of the late Owen Murry, to quiet title to a lot 33x75 feet, corner of Jackson and Second streets.

TOO GREAT EXPENSE
Not the Reason.

It is not because Pyramid Pile Cure is so expensive that many people decline to give it a trial, but because they find it too great a tax on their credulity to believe that the published letters bearing testimony to the merit of this remedy are genuine and bona fide; especially to those who have realized the suffering incident to piles is it incredible that anyone who has been afflicted twenty-five and thirty years with the worst forms of protruding and bleeding piles should be cured by the application of a simple remedy, when their physician has assured them that the only relief is in a surgical operation. This is rightfully viewed with dread by all those afflicted, as it means at the least a great shock to the nervous system, with more than a possibility of utter collapse and death; in the majority of cases, too, there is a return of the complaint, owing to the fact that the cause is not removed.

The proprietors of Pyramid Pile Cure agree to forfeit one thousand dollars to anyone who will show a single published testimonial to be not genuine and unsolicited; this latter feature is most gratifying, inasmuch as these letters are written solely out of gratitude, and with the hope that those who are afflicted as the writers have been may learn that relief is at hand, at a comparatively trifling expense. Pyramid Pile Cure is for sale by druggists at fifty cents a package, or will be mailed by the makers to any address upon receipt of price.

Mr. Wm. Lichtenwaiter, head of the largest printing house in Canton, Ohio, says: "It is with the utmost pleasure and satisfaction that I can say I believe I am cured of protruding and bleeding piles, after suffering more than twenty-five years. I have been in bed for two weeks at a time. I have not suffered in the least for over a year, and I used only three fifty cent boxes of Pyramid Pile Cure. I advise every person suffering with the distressing and painful complaint to give this remedy a trial. I have every confidence in it." Write the Pyramid Drug Co., Marshall, Mich., for their book on the causes and cure of piles.

SECOND WARD RALLY WAS A LARGE AFFAIR.

Thomas Roberts Speaks on Behalf of Dr. Pardee—County Candidates are Heard and Cheered.

The Republican voters of the Second Ward assembled at Milton Hall, corner of Twenty-eighth and San Pablo Avenue last night to meet the county and State candidates. The meeting was an enthusiastic one. The names of President Roosevelt, George C. Pardee, Senator Perkins and Victor H. Metcalf were cheered.

During the intermissions between the speeches the Pardee Glee Club entertained the large audience.

County Central Committeeman Arthur H. Breed opened the meeting and called upon Everett Brown to preside over the meeting. The chairman made a stirring Republican speech in accepting the chair. He arraigned the Democrats upon the ground that they did not oppose Republican principles but were opposed merely to the candidates.

W. E. GREENE.

Superior Judge W. E. Greene was introduced by Chairman Brown as the first of the speakers. The veteran jurist was received with enthusiasm. He said in part:

"I have come here tonight not to make a speech. I leave that to the young candidates. The Republicans in five different conventions have shown me the very gracious consideration of nominating me for office. If the voters of the county still believe me capable of discharging my duties I beg them further consideration.

JUDGE S. P. HALL.

Judge S. P. Hall was next introduced. He spoke as follows:

"I have always received a very handsome majority from the voters of this ward. I am profoundly grateful for the courtesy shown me in the past. No matter how the election goes I will not lose my sense of gratitude to this ward.

"I wish to call to the attention of those assembled here to the fact that the Federal Government has long conceded that it is a good principle that the judiciary should not be removed without cause. If the voters of this community take a similar view, I trust they will vote for the present incumbent, whom I believe to be efficient officers.

JUDGE MELVIN.

Judge Henry A. Melvin was next introduced amid much applause. He spoke as follows:

"During the campaign all over the county, the candidates before you have refrained from saying anything personally against the Democrats. We may have said a few sharp things about the Democratic party. The Democrats are not responsible. I have known many Democrats who have neither hoofs nor the cloven appurtenances. I believe that the good Democrats in Alameda county will vote for our magnificent standard bearer George C. Pardee. (Applause.) As soon as we get in the habit of voting for Victor Metcalf and Republicans like him we will have done much toward the salvation of the county.

"In closing I wish to commend the entire Republican ticket to the voters of this ward and the entire county."

JOHN ALLEN.

District Attorney John Allen was the next speaker. He said:

"You all know the purpose of our being here. We are here to explain our position and to hope that the voters are with us.

"It has been the duty of the District Attorney's office to prosecute all cases which come before it. We have tried to discharge our duties impartially without fear or favor. If we have succeeded in that endeavor it is for the voters to say. We hope for a favorable report on November 4th."

OSCAR ROGERS.

Sheriff Oscar Rogers was next introduced. He was given a cordial welcome by the audience. He said in part:

"Four years ago the voters of this community rolled up a handsome majority for me. I wish to take the opportunity of returning my thanks to you individually and collectively. In the discharge of the duties of the office of Sheriff I have made an honest endeavor to do my whole duty."

J. P. COOK.

John P. Cook, candidate for County Clerk was the next speaker. He was enthusiastically received. He said in part:

"During the last two weeks we have travelled over many portions of the county. The audiences which have greeted us have been large and enthusiastic. They have been much larger than four years ago. I take this as an indication favorable to the success of the Republican ticket. For myself, I will say that I have been Chief Deputy Clerk for the last eight years, during which time the main duties of the office have fallen upon me. I understand the work that is to be done and can promise you an honest and business like administration. I know that the entire ticket will be elected, and will thank the voters of the Seventh Ward in advance for the favors they will show us on that day."

ARTHUR FEIDLER.

County Treasurer Arthur Feidler was called upon by Chairman Brown. He spoke as follows:

"I, like the other candidates have to thank you for past favors. It has been my good fortune to serve you as County Treasurer during the last four years. I have tried to give you a good administration of affairs. If re-elected I will have the same high purpose in view, and believe I will accomplish it."

J. CAL EWING.

County Auditor J. Cal Ewing was received with applause. He said in part:

"In appearing before you this evening as a candidate for County Auditor I want to thank the people of the county and this ward in particular for the service they did me four years ago. I hope they will treat me with the same consideration again. In event of my election, I will perform all my duties as I have in the past."

JOHN MITCHELL.

Supervisor John Mitchell, candidate for County Assessor, was next introduced. He was received with applause. He said:

"I feel that I am among friends this evening. Like Judge Melvin, it was in this hall that I made my first speech. The Second Ward has been always more than kind to me, and I take this opportunity of publicly thanking you.

"I am a candidate for County Assessor. My record as your Supervisor is before you. I am not ashamed of it. If my conduct as a Supervisor pleases you, then I assure you that if elected as the next Assessor you will have no cause to regret it.

JAMES BARBER.

Tax Collector James Barber was the next speaker. He said:

"I think that it is fitting at this time that I should thank you for the previous favors. I have been Tax Collector for the last ten years. During that time I have always endeavored to administer the affairs of the office satisfactorily. I must have succeeded or the people would not have placed me there as often as they have. If elected this time I will promise you to conduct the office honestly as in the past.

"Before I sit down I wish to speak a word for the entire ticket. The candidates are unexceptional men and worthy of your support, from George C. Pardee to your township Constable."

ROBERT GREIG.

Robert Greig, candidate for County Recorder, was the next speaker. He said:

"This is my maiden effort in the way of politics. Although I am not a speaker, I wish to say a word in behalf of the ticket and myself.

"I trust the voters will vote a straight ticket from George C. Pardee down the line. If elected, I will give the people an administration of the affairs of the County Recorder's office that they will have no reason to be ashamed of."

E. C. PRATHER.

E. C. Prather, acting County Surveyor, was next introduced. He said:

"For seventeen years I have been connected with the office of County Surveyor. I believe I am competent to fill the office. I know more about the lines of your county than I do of politics, and can only promise you a good administration if elected."

JOHN BLISS.

John Bliss, candidate for the Assembly, was the next speaker. He prophesied the sweeping victory for the entire Republican ticket. He announced his intention of voting for United States Senator George C. Perkins.

SENATOR LEAVITT.

Senator Frank Leavitt was the next speaker and aroused much enthusiasm by his speech. He asked that the entire ticket be supported. He promised to exert his influence in securing the re-election of United States Senator Perkins.

JOHN W. MOTT.

John W. Mott, candidate for the Assembly, was the next speaker. He promised to work for an eight hour law if elected to the Assembly, and also to vote for George C. Perkins for United States Senator.

JUDGE SMITH.

Police Judge Mortimer Smith was greeted with applause. He asked the voters to support the entire ticket and thanked his constituents for their previous favors. He also spoke favorably of each of the candidates on the ticket.

JUDGE STETSON.

Justice of the Peace John W. Stetson followed Judge Smith. He predicted the election of the entire Republican ticket by unprecedented majorities.

HARRY LYNCH.

Harry Lynch, candidate for Superintendent of Schools, was the next speaker. He said:

"The citizens of my own township voted for me unanimously at the primaries and the Convention named me for the high position which I seek. If elected I will try to justify the confidence reposed in me."

GEORGE GRAY.

George Gray, candidate for Public Administrator, was next introduced. He was well received. He promised an honest administration of the affairs of the office in event of his election. He said in part:

"I am unknown to the majority of the voters, but I have one strong recommendation, that is the nomination for the office I seek from the hands of the Republican party. It is the best that a man could possibly get. The people of my township urged me to seek the nomination and supported me loyally. If elected I will try to justify the confidence reposed in me by conducting the office in a way not only to reflect credit upon myself, but upon those who elected me."

ED WEIDLER.

Constable Weidler, candidate for re-election, then made a few remarks.

JAMES QUINN.

He was followed by Justice of the Peace Quinn, who received an ovation.

T. J. ROBERTS.

T. J. Roberts of the A. R. U. spoke as follows:

"I am hardly prepared to make much of a talk here this evening, as I did not expect to be called on. There is one matter that I will take up here, and that is why every Republican should vote for a Republican, George C. Pardee, for Governor, and not for E. K. Lane, a Democrat. Certain peanut politicians are howling themselves hoarse trying to influence Republican union wage workers to desert the head of the ticket, and on what grounds? On the ground that George C. Pardee is an enemy of labor unions; but when you pin them down as to facts they pass you up some second-hand tangled up mess of what some one else told them, and the Lord knows where the other fellow got it from, and finally they wind up by saying, 'Well, you ask some of the A. R. U. strikers what they think of Pardee.' Well, I am one of those strikers, and I think Pardee is all right and he is going to be Governor, too, and what is more, most of the A. R. U. men are going to vote for him. The honest, intelligent, law abiding men who were in that strike have no fault to find with Pardee. He was placed in a very trying position, and it was his sworn duty to protect life and property and preserve the peace and that was all he did. You don't hear any man who was an officer in the A. R. U. at that time howling about Pardee being an enemy of labor.

"You don't hear any prominent member of any union here saying Pardee is against organized labor, for no sensible, level-headed man is going to make an assertion that he cannot back up by facts. I would be the last man in this State to advocate the election of any man, I don't care who, if I had any idea he was an enemy of labor unions. My vote has never yet been cast, and I pray to heaven that my conscience will never become so dead as to allow me to vote for any candidate who is not in sympathy with the working people. My union record dates back seventeen years, seventeen years of hard work and self sacrifice, and do you for one moment believe that I would jeopardize the reputation of a lifetime to help make George C. Pardee Governor? No, gentlemen, I am President. When Governor Pardee's term of office has expired the union men will then find that my judgment of the man was correct. And again I say to you Republican union men, vote for George C. Pardee for Governor and don't be afraid to say you are going to vote for him. For no Gavin McNab or any other lifelong enemy of organized labor assisted in giving him his nomination; and if there are any weak-kneed fellows here this evening, who perhaps have been influenced by some of these false statements, I hope that tonight you will make up your mind to stay with your own candidate for Governor, and not only that, but help in every way you can and you will have the satisfaction of knowing that you have done your duty as union men and as Republicans."

NILES SOCIAL READING CLUB

MEMBERS MEET TO TAKE UP THE OLD CHAUTAUQUA LINE OF STUDY.

NILES, Oct. 8.—Harry Mosher with a party of friends went yachting on the bay Sunday. All reported a jolly time.

Mrs. Sue Dickey, an old-time resident of Niles is here visiting old friends and neighbors. Mrs. Dickey will make her home in Los Angeles.

The Ladies' Guild meets with Mrs. M. B. Sneden today. The ladies are very busy preparing beautiful things for the annual bazar which will be held in the near future.

Miss Milicent Shinn with her niece Ruth, spent last Saturday in San Francisco, it being Ruth's birthday.

Mr. and Mrs. Hale and Mrs. Higby left Tuesday morning for Petaluma to attend the general association of California which is to be held at that place for several days of this week.

Mr. and Mrs. P. A. Ellis have moved to Alvarado to make it their home for an indefinite length of time. Mr. Ellis still continues in the grocery business.

Mrs. S. O. Higby spent Monday in Oakland attending to patent affairs.

Mrs. Alfred Parker, (nee Edgar) from Menlo Park, with her mother, Mrs. Edgar, are spending the week with Mr. and Mrs. George Edgar.

The Niles Social Reading Club has organized to meet once a week and take up the Chautauqua work again. Nearly all the old members were present at Mrs. M. A. Waters Thorne's last Tuesday evening. The next meeting will be with Mrs. Thorne.

EXCELLENT ACTING AT THE THEATRES

"CAMILLE" AT MACDONOUGH AND "EAST LYNNE" AT THE DEWEY.

There was a magnificent production of "Camille" at the Macdonough last night by the Shirley Company. The audience was large and appreciative, and the attention to detail which was displayed in the dressing of the stage and the acting tended to a rounded performance which was greatly enjoyed by the auditors. Miss Shirley is supported by a company of exceeding versatility and each of the members addresses himself or herself to the work assigned with an earnestness which is most commendable. The same play will be repeated tonight.

FINE ACTING AT DEWEY.

At the Dewey Theater, last night, there was another admirable performance of "East Lynne," by the Stevens Stock Company, with Miss Adeline Leard in the leading roles of Mme. Vine and Isabelle. The performance gave complete satisfaction, the new woman in the leading female roles being profoundly appreciated. There is nothing in the play which impels to rapturous applause. Appreciation is shown best in sighs and tears and these are liberally accorded the performers in all the trying scenes of this emotional play. The piece will be produced all this week.

Prince Arif Saxby lecture, Unitarian Church, Thursday evening, Oct. 9

GLOD WORK AT UNION ST. CHURCH

It is Anniversary Week at Union Street Presbyterian Church. Last night the fourth annual reception to the pastor, Rev. Dwight E. Potter, was held in the church parlors, which were prettily decorated for the occasion.

A very pleasing program was presented, consisting of several numbers by the Masonic Quartet from Alcatraz Lodge, a reading from J. M. Barrie by Mrs. G. L. Munro, a baritone solo by Mr. Coats, a recitation by Miss Hilma Buttlar, a duet by Mrs. J. E. Whitehead and Miss Maggie Cooper, and a solo by Mr. W. J. Oakes.

George Robertson, speaking for the congregation, congratulated Mr. Potter on the good work done during the past four years and hoped he would stay forty more.

Mr. Potter responded, telling of his appreciation of the hearty support always given him by the people and prophesying even better things for the future.

Last Sunday the services of the day were in the hands of a committee and Mr. Potter was the guest of the people. The roll was called in the morning, each member responding with a verse of scripture. In the evening the secretaries of the various societies gave reports of the work done during the past four years, all of which showed that great progress had been made.

The financial condition of the church is excellent. During Mr. Potter's pastorate, besides the regular expense, $1,000 has been raised to pay off the mortgage and $1,125 for repairs on the church.

Four years ago $12 was given to Foreign Missions. This year $1,200 was given to Foreign and $600 to Home Missions. This was given by the church through the Missionary Substitute Company, and does not include the Sunday School, C. E. Societies or woman's work.

The membership of the Sunday School has increased from 173 to 305. They have given $49 to missions this year, all debts are paid and there is $41.80 in the treasury.

The Woman's Missionary Society has increased from a membership of 76, giving $169.92 a year, to a membership of 174, giving $366.92, with pledges all paid up to the present time.

After this glance at the past a "Foregleam" was given by Miss Sarah M. White. This was a vision of what Union Street Church will be ten years hence if every member does his part. Soft music from the organ intensified the deep impression made by the speaker's words. The service closed with a summary by the pastor.

SELLS BERKELEY PROPERTY.

George F. Lyon has deeded to the Realty Syndicate a piece of property in Berkeley located at the corner of Bristol and Division streets. The price is said to be approximately $15,000.

WANTS TO GUARD CHILD.

Mrs. Nellie Snowden has filed an amended petition for letters of guardianship on the estate and person of James Carl Nickerson. The first application for letters was denied.
